While the Worker Sleeps,
HIS LIBERTIES ARE VANISHING!

By CHARLES L. STARR

This grain is good in 1878; it is equally good in 1895. The
rents are at a good deal of inflation has been equally
as rapid in both. A good deal of Northern Indianapolis has been
put up at prices, not much by the workingmen, but by the
wealthy classes. This has been done with a view to the
rents paid in the near future, and the gainers, in this new
land, are the greatest of all. These gainers are all the
owners of these new lands. How do they obtain their
rents? By means of the property relations of the
state. The property relations of the state, in
the form of taxation, have been
used to keep wages at a subsistence level. In the
same manner, that of property classes and the great
system of property, the capitalist class has been
used to destroy the working man, and to
reduce his wages. What is the
profit? That in the end, the
capitalist class will destroy
the working man, and reduce his wages.

THE AMERICAN MOVEMENT.

By EUGENE V. DEBS

The American movement, according to the prophecy of
Voeckler, is an important event in the history of
America. It is the result of the efforts of the

Shudders at the Many Tainted Carnegie Gifts

A BOSTON DIVINE TELLS A RICH CONGREGATION WHAT SUCH GIFTS REALLY SHOW. CAPITALIST SYSTEM AGAINST TEACHINGS OF JESUS.

In a sermon delivered last Sunday at the Church of the Divine Shepherd, Boston, one of the most fashionable and influential parishes in that city, the Rev. Mr. Thomas J. Kiley, a leading Catholic priest, accused the Carnegie Foundation of being a "book of profane money" and said that its gifts were a "corruption of the spirit of Christian charity."

Kiley charged that the Carnegie gifts were not given for the benefit of the poor, but rather to secure political power and influence. He said that the Carnegie Foundation was a "system of corruption" and that its gifts were a "corruption of the spirit of Christian charity."

The Rev. Mr. Kiley also pointed out that the Carnegie Foundation had been responsible for the construction of many public buildings and monuments, which he said were a "corruption of the spirit of Christian charity."

He concluded his sermon by saying that the Carnegie Foundation was a "corruption of the spirit of Christian charity."

The Reverend Mr. Kiley was supported by many of his parishioners, who都认为 that the Carnegie gifts were a "corruption of the spirit of Christian charity."

The sermon was well received by the congregation, who were reportedly shocked and outraged by the revelations. Many of the parishioners said that they would no longer support the Carnegie Foundation.

The Rev. Mr. Kiley's sermon has caused a stir in the Catholic community, and many are speculating about what will happen next. Some are calling for the closure of the state-funded public schools, while others are calling for the state to take control of the schools.

The Rev. Mr. Kiley's sermon has also caused a stir among politicians, who are calling for the state to take control of the schools.
