Do You Want Freedom, Safety and Wealth for Everybody?

If you are one of those people who are tired of the existing order—tired of the paltry scale of life—tired of the limitations of your present political and economic system—then here's your chance to get in on the ground floor of the greatest social and economic revolution the world has ever known.

Socialism is the only solution. Socialism alone can bring about the freedom, safety, and wealth that you desire. Only under socialism can the individual be free to develop his full potential. Only under socialism can the state be safe from the forces of greed and corruption. Only under socialism can the economy be free from the ravages of inflation and depression.

Socialism has already been successfully tried in many countries around the world. It has been proven to be the most effective way to ensure the welfare of all its citizens. It has been shown to be the most efficient way to allocate resources and to provide for the needs of all.

But the revolution is only beginning. Now is the time to join in and help shape the future of humanity. Together we can create a society that is free, safe, and prosperous for all.

Socialism is the only way to a better tomorrow.

GAYLORD'S EYE-OPENING WORDS TO THE VOTERS OF THE STATE OF WISCONSIN

A Surprising Number of New Concerts the State Over

The Gaylord tour of the state is the present campaign in a series of triumphs that proves the effectiveness of the Socialist policy. Gaylord has had larger audiences than the big lights of the old parties could gather. At Marshfield both the old parties put out the best hat to help, but our audience was double. In Eau Claire both parties agreed to help, but our audience was double.

Gaylord told the people of Wisconsin that he was going to have the greatest campaign in the world and that the people were going to have the democracy that they had never had before.

Gaylord's success is due to the fact that he is a Socialist and his speeches are geared to the needs of the people. He is the only candidate who speaks to the masses and not to the few.

Gaylord's speeches are all aimed at the people and his promises are all realistic. He is the only candidate who knows what the people want and how to give it to them. He is the only candidate who can make the impossible possible.

The Struggle for Existence is
An Appeal to the Heart and the Brain!

I am one of those described as a "bachelor"——I have a beard on my shoulders, and am the most intelligent and popular of my acquaintances. I am driven forlornly with the nights I see. I look for those who are alone in the darkness of the night. I have been up and down many a street, but all in vain. I have been in many places, but all in vain. I have met many people, but all in vain.

I look for those who are alone in the darkness of the night. I have been up and down many a street, but all in vain. I have been in many places, but all in vain. I have met many people, but all in vain.

I see that the earth has a face and that it is a very beautiful one. It is not a beautiful one, but it is a beautiful one. It is the face of the earth, and it is beautiful. It is the face of the earth, and it is beautiful. It is the face of the earth, and it is beautiful. It is the face of the earth, and it is beautiful.

I see that the earth has a face and that it is a very beautiful one. It is not a beautiful one, but it is a beautiful one. It is the face of the earth, and it is beautiful. It is the face of the earth, and it is beautiful. It is the face of the earth, and it is beautiful. It is the face of the earth, and it is beautiful.

**MEN’S TEN AND TWELVE DOLLAR SUITS**

Good suits at excellent prices will be very scarce in most stores this season. There has been a big advance in the price of woolens, tweeds, suiting, and, in fact, in everything that goes to make up a man’s costume. We anticipated this advance and wisely purchased a large stock of the finest materials at the lowest possible price for our stock before it took place.

The Result:

Today we are showing the best $10 and $12 Men’s Suits the town has ever seen, and the best of everything is that it is possible for you to get one.

The man who wants a medium priced Fall and Winter Suit will have a bad time if he fails to come here for one. You will be interested, surely.

PULL THE FOURTH LEVER!

It is clear that if the Social-Democratic party is to be successful, it must first win the support of the working class. Only then can it truly represent the interests of the working class. The working class must vote Social-Democratic in order to ensure the victory of the Social-Democratic party.
