OUR FIRST CHANCE FOR CREATIVE WORK

By Victor L. Berger

We have already been too long without work. We often forget that it was by winning an isolated victory in a city like Milwaukee that socialism first entered into the life of this country. The Socialist Party of Milwaukee is a district and, although born and educated in the city, it is an excellent major, if not the major, of the Wisconsin Socialist Party. Most of the leaders of the Wisconsin Socialist Party were trained by the Socialist Party of Milwaukee. The Socialist Party of Milwaukee has done more for the working class of Wisconsin than any other organization. It has not only trained many of the leaders of the Wisconsin Socialist Party, but it has given them the opportunity to take part in the work of the party. The Socialist Party of Milwaukee has done more for the working class of Wisconsin than any other organization. It has not only trained many of the leaders of the Wisconsin Socialist Party, but it has given them the opportunity to take part in the work of the party. The Socialist Party of Milwaukee has done more for the working class of Wisconsin than any other organization. It has not only trained many of the leaders of the Wisconsin Socialist Party, but it has given them the opportunity to take part in the work of the party. The Socialist Party of Milwaukee has done more for the working class of Wisconsin than any other organization. It has not only trained many of the leaders of the Wisconsin Socialist Party, but it has given them the opportunity to take part in the work of the party. The Socialist Party of Milwaukee has done more for the working class of Wisconsin than any other organization.

Nevada to Legalize the Gun Men.

The Senate of the Nevada legislature has passed a bill to legalize the use and sale of handguns in the state. The bill now goes to the governor for veto or signature. If signed, it will become law on July 1, 1938. The bill was sponsored by Senator Joseph J. Ford, a Democrat from Washoe County, who said it would help reduce crime and violence in the state. The bill would regulate the sale of handguns, requiring a background check and a license for buyers. It would also allow for the sale of handguns to non-residents with a valid permit. The bill has been controversial, with some lawmakers and citizens concerned about public safety and the potential for increased gun violence. However, supporters argue that it would make it easier to lawfully own a firearm and would reduce the number of firearms in circulation. The Nevada legislature has a strong history of gun rights, with the state having no state income tax and the Second Amendment being a fundamental right. The bill now moves to the governor's desk for his consideration.
Lake Shore and Fox River Valley Notes
By Char, Sandusky, Care Daily Tribune, Madison.

A good propaganda work was done last week in the Fox Valley to further the cause of temperance. The Farmers' Union, under the auspices of the West Wisconsin Anti-Saloon League, held a meeting in the Fox River Valley, and a large number of delegates attended from all parts of the county. The meeting was held in the Park Hotel, and was well attended. The speakers were well chosen, and the speeches were strong and effective. The meeting was a great success, and it is believed that a large number of people were converted to the cause of temperance. The meeting was a great boost for the anti-saloon movement in the Fox River Valley, and it is believed that the results will be most desirable.
