Make Your Union Pay.

Through its PRINTING—Part of the COST of Your Fight for Better and More Humane Conditions and Higher Wages

Have the proofs made up, or not to vary any individual, but to help carry on your UNION LABEL AGITATION—to build up your organization.

Because the Order May Be Small

One Is No Reason for Being Careless as to Where Your Money Goes. Make Dollars, Here Small Profits

Swell the Aggregate for the Constant Advancement of Labor's Cause

Why pay an alleged friend $500 for a job on which he makes $200 of his own? Why not give this friend a better deal and $25 more of it? Why give any of your money to the friends of Labor?

What are You Doing?

Will local HEED labor chapters make a fight and insist that what they are doing is just? That they are helping to sustain the unionism of the workers who make $200 of it? That they are helping to build the unionism of the workers who make $25 more of it?

The principles of your unionism are these:

1. Your unionism is a system of voluntarily working for the common good.
2. Your unionism is a system of voluntarily working for the common good.
3. Your unionism is a system of voluntarily working for the common good.

THE CO-OPEATIVE PRINTERY

in award and controlled by the WORKING CLASS. It is your institution. Therefore give in a cause, at least.

For the sake of argument—supposing you did pay a little more for your printing: What difference would that make? If there ever was any difference, it would be to YOUR benefit—because all the profits made are used in helping to build up YOUR unionism. But, as a matter of fact, you do NOT pay more there. Our facilities are ample, our prices are low, and we are a well-organized and equipped establishment. In some instances our facilities are even superior. Your workmen are the best. Such conditions do not incentivize any labor-saving tendency on your part. In fact, the prices of competitors who regard all else of cost and paper as profit, who originate their plans and often number of hours and whose offer returns are not reckoned.

Rumors are circulated just to destroy confidence in your own printing—damage your institution. Are you going to let these be your friends? Will you allow any of your members to use your friend in this manner? Surely not!

Remember that ALL the profits in printing are due to this shop. Merry's and Williams need the support of every member of your unionism for economic reasons, to secure laws and legislation of benefit to YOUR unionism.

Get information from all on your printing, examine some of the samples of work, and we feel confident that you can come to one decision—that it pays to make your printing do double duty.
