

**SOME QUESTIONS FOR YOU TO ANSWER.**

By Victor L. Berger.

Do you really think it is the kind of government which other nations have to seek for help, and if not, what is the issue that they are trying to deal with?

By the way, did you think of the popular saying that "A just cause deserves a just outcome"?

Will you tell us that a nation's pursuit of truth and justice is often hindered by the interests of powerful groups or individuals?

Would you agree that the pursuit of truth and justice is often hindered by the interests of powerful groups or individuals?

THE EQUITY CONVENTION!

Three members in Milwaukee were given remarkably important
positions, namely, the national unaffiliated union and
Representatives were there from

Wisconsin. Minneapolis, St. Paul, Omaha. Chicago, Fin-
ney, Nebraska. New

York. The membership numbers were

10.000 at the time of the convention.

The membership is a mixture of white collar workers and

many different industries. The union has

strong ties with other labor organizations. They work

together to improve the lives of workers.

The convention also addressed the issues of

pay increases and benefits for workers.

During the meeting, the delegates voted to

approve the national unaffiliated union and

create a new organization. The union

agreed to work with other labor groups to

fight for workers' rights.

The union also called for greater

representation of women and minorities

within the organization.

The convention was a success and

the delegates voted to continue working

towards better conditions for workers.

THE BIG MASS MEETING!

It must have galled the Row-Row-

Chancy crew to see the way the

prognosis pointed to the West Side-

Tens huts but Saturday night! It

looked as if the people over would

in the east thrush was unimpress-

And when Chancellor Knox an-

nounced that the meeting would

be held at the same place as the

previous evening, there was a

grand jury to a vote, the aver-

age man rang out not as one

thousand, but as a single voice,

saying, "We'll double the crowd

when the word comes." And

when the news came back that

Millworth had spoken, the

crowd was as restless as the

heat." Knox's announcement was

sufficient to make me mad at least

I thought. The address of Winstead-

Dink and Gerald C. D. Thompson

marks as a vote of confidence.

The prospect of an all-Patz

gang at the front of the legal

forces was a matter of serious

consideration for Knox, and

he was entirely right in his

declaration, "Every man should

be in uniform when he is

travelling, and we must make

no more of it than it is worth.

The right of free speech is a

precious thing, but it must not

be used as a weapon against

the Government."

It is clear that the Row-Ro-

Chancy crowd is on the make.

If the vote is not carried,

it will be a right decision.

FIRST PAPERS

The first papers are being

collected, and those who have

only first-class papers will be

punished with a fine of $50.

The cost of securing first-class

papers is $1.00, and those

who are qualified to sell them

are urged to do so in order to

secure the maximum amount

in this campaign.

Snappy Fall and Winter Shoes

TODAY merchants are all agog

over the fact that the weather is

turning colder, and the demand

for winter shoes is increasing.

A recent survey revealed that

the demand for shoes in the

city is at an all-time high.

The demand for shoes is

predicted to continue to rise

as the weather gets colder.

The leather used in the shoes

is of the highest quality, and

the workmanship is excellent.

The prices range from $5.00 to

$20.00.

Subscription Contest! The

post and school news media,

some of whom got right into the

leading bunch before the

present site was formed, will

be in even greater demand as

the cold sets in, as some have

a consuming need for shoes.

Anyone can start a subscription

and win. These fine prizes are

going very quickly, I think.

And they are worth for the

effort. The contest is open to

all who are interested in

keeping abreast of the news

and events of the day.

A CHALLENGE!

The challenge is out to
