Furniture Bargains

For the next two weeks we are offering the greatest bargains ever heard of in furniture selling. This year has made contracts with the Royal Furniture Co. of Grand Rapids, W. K. Cowan, of Chicago, Gustav Stickley, of New York, and Berkley & Gay Flanders Furniture of Grand Rapids to handle exclusively their lines in this city. There are therefore a great many pieces of furniture on our floors at the present time which we shall not handle the coming season—and in order to make room for shipment already arriving, we have marked them at prices which will never again be duplicated in the furniture market.
