Do You Take Any Chances By Voting With Us?

The Social-Democratic party engage their campaign all the year round. They take the chances of every day to make themselves known. They guard the chances of every birthday, anniversary, and other public religious observances to make their presence known in every public place. They work and they take chances. They are in the fight all the year round. They are a real force in the fight. They know they cannot win the fight, but they are fighting. They are fighting all the time. They are fighting all the time. They are fighting all the time.

V. L. BERGER SAYS:

Every Socialist should know something besides Karl Marx.

The more knowledge a few Socialists possess is not sufficient to make a "wiser" or a "better" Socialist.

In order to know Socialism is coming, a Socialist should have some idea of the theory of evolution, and some knowledge of the laws of economic development.

Why, as Socialists, are we so interested in the development of the social systems of the world, and what can we make of our knowledge of the evolution of human society, and the progress of mankind by gradual steps from brutal savagery to the socialistic state?

The manner in which one society has grown out of another, forced out of archaism, and climaxed out of revolution, is most suggestive of the manner by which the Socialist society is trained in the original thought of Marx and Engels.

The question to be answered is: Do we know how to develop the best Socialism in the world? We must know how to develop the great Socialism of the world.

IMPACTMENT ANNOUNCEMENT

IMPORTANCE OF ANNOUNCEMENTS

The importance of announcements cannot be overestimated, whether they are published in newspapers, displayed in windows, or transmitted through personal contact. Announcements serve as a means of disseminating information, promoting actions, and creating awareness. In today's world, where instant communication is the norm, effective announcements play a crucial role in various aspects of life, from business to social events, to political campaigns.

The Milwaukee Social Democratic Party announced an event that was significant for the local community. This event was part of their social democratic movement, highlighting their commitment to addressing social issues and fostering a sense of unity. The announcement was made public, inviting people to attend and participate.

The Social Democratic movement has a long history of advocating for the working class and promoting social justice. Their goals included reducing the working day, improving the working conditions, and opposing the rise of Socialism in Germany. The events they organized aimed to mobilize workers and build solidarity, which was crucial in the context of late 19th and early 20th century social and political movements.

The Milwaukee Social Democratic Party's announcement reflects an important aspect of their activism, which was not only about political discourse but also about creating spaces for community engagement and social change. This approach is consistent with their broader efforts to empower and mobilize workers against oppression and exploitation.

In conclusion, the importance of announcements cannot be overlooked. They serve as a bridge between the message and the audience, enabling ideas to spread and actions to be taken. For the Social Democratic movement, these announcements were a vital tool in their struggle for social justice.

**SCHOOL DIRECTOR VOTES UNDER THREATS!**

Intimations, not too speak of things that bear an unfriendly name, were successfully resisted by the Pasture Club to prevent the discussion being moved and called to order for the meeting Tuesday night. Director Ralph E. Roper's appeal was not successful in the main body of the assembly, but it appeared to be voiced in an effort to stop the meeting.

A motion was made and carried that the committee on resolutions, consisting of Charles W. Squires, T. H. McCormick, and Charles E. K. Moore, be appointed to prepare a resolution calling upon the state board to consider the case of the school district of the Pasture Club.

Socialists Open Their Campaign

Bahn Frei Turn Hall Crowded to Hear Seidel, Gaylord and Hoan. Enthusiasm Unbounded!

The Socialist Democratic camp opened its campaign properly in the city last night, when a large crowd of people gathered at the Bahn Frei Turn Hall to hear Mr. Friedrich Seidel, Mr. Hiram Gaylord and Mr. John Hoan. Mr. Seidel was introduced by Mr. Paul F. Trenn, chairman of the local chapter of the Socialist Democratic party, and Mr. Gaylord was introduced by Mr. William P. Whitney, the Socialist Democratic candidate for the 5th ward. Mr. Hoan was introduced by Mr. J. H. Birge, the Socialist Democratic candidate for the 3rd ward.

The meeting lasted for several hours and was well conducted by Mr. Trenn. The speakers were all well received and the audience gave them a hearty cheer. The speakers spoke on various topics, but the main point of the meeting was the need to support the Socialist Democratic ticket in the upcoming election.

Ringing Resolutions Passed at the Socialist Democratic Convention

A Seat For Every Fare!

Whereas, the report of the Convention of the Milwaukee street car employees, submitted by the Committee on Organization at the last meeting of the convention, is hereby received and accepted;

Whereas, such a resolution is the general policy of the Republican and Democratic parties, until the people have the right to tax and regulate the same, whether for public or private uses;

Resolved, That the Socialist Democratic party of Milwaukee hereby declare themselves as opposed to the refusal of the street car companies to submit to arbitration, to be held by the convention of street car employees, and to present their claims to the government for arbitration by the circuit court of the county of Milwaukee, and to accept the award of the same; and that they pledge themselves to support theс candidates for all offices, who are pledged to the acceptance of arbitration by the convention of street car employees, and to present their claims to the government for arbitration by the circuit court of the county of Milwaukee, and to accept the award of the same.

The Capitolists Courts

Whereas, the sentiment of the people of this city is not as yet the primary consideration of the state and federal courts; and,

Whereas, it is impossible for the people to have any redress of their grievances until they are provided with advocates who will stand by them in the courts;

Resolved, That the state and federal courts of this city are enrolled in the list of the Capitolists Courts, and that they be henceforth known as such, and that all persons who shall be permitted to practice before them shall be required to subscribe to the following oath:

"I do solemnly swear that I will support the Capitolists Courts, and that I will not practice before them unless I am a member of the Capitolists Courts."
