Roosevelt as Savior of Society

By Victor L. Berger

HE, who before 1911 was stigmatized as being too much of a constitutionalist to save the Democratic party, has now become the greatest and most popular leader of the party and the nation. His influence is incontestable. His speeches, his activities, his every word are the inspiration of the multitude.

He was elected president of the Democratic party in 1912, but he was not popular with the majority of the party. His policies were not popular with the majority of the people. His election was a victory for the Democrats, but it was a defeat for the Republicans, and a defeat for the country.

But now he is the leader of the Democratic party, and his influence is incontestable. His speeches, his activities, his every word are the inspiration of the multitude.

The Milwaukee Aldermen

Two new members of the Milwaukee Aldermen were introduced in the adjourned session of the Common Council, which met for the first time in this session on October 2, 1912. One of them was introduced as the representative of the city of Milwaukee, and the other as the representative of the city of West Allis.

The Milwaukee Aldermen are the representatives of the people of Milwaukee, and their duty is to serve the people of Milwaukee. They are elected by the people of Milwaukee, and they are supposed to act in the best interests of the people of Milwaukee.

Will You Help Finland?

To the Society of America.
The recent events in
Europe have caused a
lot of interest in
the cause of Finland.

The President of Finland,
Mr. Turunen, has
written a letter to the
Society of America, in
which he asks for
financial support.

The letter concludes by
saying that Finland is
in need of assistance.

This is the time of the year
when we should all
remember the
people of Finland.

I urge every member of the
Society of America to
contribute to the
cause of Finland.
