MARTY'S THEORY OF LABOR TIME 
AND THE REWARD OF LABOR.

By Adolph Hesner.

The Industrial Commission: Central Organization's Mistake.

The Trades and Labor Unions of St. Louis and the Industrial Commission's report on account of Section 2, Article 1, U.S. Constitution. Section 1.

The Trades and Labor Unions of St. Louis. Four unions of labor, which are the main interest of the working classes, have been suppressed. The general strike is one of the most important ones. The strike of the workers in the factories and mills has been called for the purpose of demanding a better wage. The strike is being considered by the authorities as a direct threat to the social order. The authorities have issued an order for the arrest of the leaders of the strike. The strike is being supported by the working classes, and the authorities are trying to suppress it. The strike is being considered as a direct threat to the social order. The authorities have issued an order for the arrest of the leaders of the strike. The strike is being supported by the working classes, and the authorities are trying to suppress it.

ADOLPH HEPNER.

Social Democratic, The.

PUBLISHED EVERY SATURDAY BY

THE SOCIAL DEMOCRATIC PARTY OF AMERICA.

EXECUTIVE BOARD.

E. P. Stage, President; I. M. Reuss, Secretary.

NATIONAL SECRETARY AND BUSINESS MANAGERS.

W. G. McLaughlin, Advertising Manager.

EDITOR-IN-CHIEF.

E. A. Arner.

The Social Democratic Party of America is a liberal political organization which seeks to advance the cause of socialism and universal suffrage. It is engaged in the publication of the Social Democratic, a weekly newspaper, and in the promotion of other social and political activities.

DISARMAMENT.

The proposal for disarmament is one of the most important issues of the day. It is a proposal that the nations of the world should reduce and eventually abolish their armies and navies. The Social Democratic Party of America fully supports this proposal.

A FARMACIAL SIDELIGHT.

John Clark Bishpoff, in the Azusa, California, has developed a new farm product. He has patented his process for raising silkworms, single-tube, direct method. This method of raising silkworms is a great improvement over the existing methods and is expected to revolutionize the silk industry.

EVOLUTION AND REVOLUTION.

Evolution is the gradual change that occurs in nature over long periods of time. Revolution is a sudden and dramatic change in a system, society, or organization. The Social Democratic Party of America believes in using both evolution and revolution to achieve its goals.

WE TOLD YOU SO.

And it is comes to pass that the Social Democratic Party of America, as promised, is taking action. The capital democratic party in this country has been established, and it is ready to act. It is the party that is needed to save the country and bring about a new era of liberty and equality for all people. The capital democratic party is a party of the people, by the people, for the people. It is a party of democracy and popular control, bringing relief to the workers and freedom to all.

NOTICE TO BRANCHES.

The local branches of the Social Democratic Party of America are reminded to keep their members informed about the latest developments and to encourage them to participate in the movement. The Social Democratic Party of America will not fail to make its voice heard in the struggle for universal suffrage and the abolition of private property.
THE PARTY IN WISCONSIN.

By Governor-Horace Tully, Milwaukee

The results of the Republican convention, held at Milwaukee, Monday evening, July 2, and the proceedings of the same body, have been fully reported. The action of the convention is in accordance with the expectations of the people, and the platform adopted is a decided advance in Republican policy.

HORACE V. TULLY.

The hosts of the Wisconsin Social Democratic Party met at the Grand Central Hall, Milwaukee, Friday evening, September 2, and elected a full state ticket.

The election of the social democratic state ticket will be a decided advance in the struggle for the labor ticket. The party of the people will have a full field for its platform, and the fight will be conducted on a larger scale than ever before.

The platform is a decided advance in the struggle for the labor ticket. The party of the people will have a full field for its platform, and the fight will be conducted on a larger scale than ever before.

WHERE TRADES UNIONISTS WILL FIND THE S. D. P.

The trades union movement among the working people of this country is not only the most powerful and most important movement of the time, but it is the very soul and life of the working class as a class.

THE BOOK REVIEWER.

SOCIAL DEMOCRATIC LIBRARY

Our volume has received a copy of a second volume, "The Legal Education of the People," by Clarence Darrow. The book is lavishly illustrated and contains many fine photographs. It is a well-written and well-organized book. It will be of great value to all those who are interested in the legal education of the people.

SOCIAL DEMOCRATIC HERALD

The Social Democratic Herald is a weekly newspaper published in Chicago, Illinois. It was established in 1888 and was the first socialist newspaper in the United States. The newspaper covers a wide range of topics, including labor, politics, economics, and culture. Its editorial policy is to promote socialist ideas and to provide a voice for working-class people.

GREAT DEBATE

The Social Democratic Herald is known for its debates on important issues of the time. In this debate, the editors present opposing arguments on a particular topic, and readers are encouraged to write in with their own opinions. The debate on this page is about whether the vote should be extended to women.

SOCIAL DEMOCRATIC LIBRARY

The Social Democratic Library is a collection of works by socialist authors, including Karl Marx, Friedrich Engels, and August Bebel. The library is housed in the Social Democratic Herald building in Chicago and is open to the public.

FATOUS MEN ON BISMARCK

"Fatous Men on Bismarck" is a collection of essays written by the economist and social reformer Henry George. The essays are a critique of the policies of Otto von Bismarck, the chancellor of Germany. George argues that Bismarck's policies were harmful to the working class and that they did not address the underlying issues of social inequality.
