SOCIAL DEMOCRACY IN THE WEST

POISING TO THE FRONT
Local elections were held in sixteen Massachusetts cities on Saturday, and the Social Democratic party, be- longing to the Socialist Labor party, mustered an excellent showing in Lynn and Boston. The election was held at Lynn, where our candidate for mayor, Frank Pyne, got a splendid victory. Although Lynn is far from being a Socialist city, the Socialist candidate polled 92 per cent of the vote in the city of Lynn, but not in the town of Lynn. In Lynn the result was an overwhelming victory for Frank Pyne. The success of the party at Lynn is a great credit to the Socialist party, and the Socialists in Lynn are to be congratulated on the success of their candidate.

SCORE AGAIN AT NEWBURYPORT
The progress of the Social Democratic party in Newburyport was remarkable. This city, as we have seen, is a Socialist city and a Socialist city only. The Social Democratic party, being solely a Socialist party, has been able to work up a strong organization in the city and has been able to elect several Socialists to office. The Socialists in Newburyport have been able to elect several Socialists to office and have been able to elect several Socialists to office. The Social Democratic party, being solely a Socialist party, has been able to work up a strong organization in the city and has been able to elect several Socialists to office.

WE LEAD AT WORCESTER
The municipal election at Worcester, Mass., resulted in the Socialists gaining the majority of the votes cast. The Socialists were able to elect several Socialists to office in the city and to elect several Socialists to office. The Socialists in Worcester have been able to elect several Socialists to office and have been able to elect several Socialists to office. The Social Democratic party, being solely a Socialist party, has been able to work up a strong organization in the city and has been able to elect several Socialists to office.

POINTER AGATHES
The little band of Social Democrats in West Agate, Wash., with the constancy and enthusiasm that usually win, succeeded in electing their candidate, A. W. Johnson, for city council. His victory was a triumph for the Social Democratic party in Washington state.

CHELSEA MAKES A START
The candidates at Chelsea, Mass., nominated last week, polled only 205 votes and this is considered a good beginning for the Socialist candidate in the city. In the wards the party had six candidates and the vote polled by those candidates was 205 votes. The Socialist candidates polled only 205 votes.

TIMSON RAN-WELL
 Complaints from Lynn, Mass., concerning the Socialists for Mayor of Lynn, made a good run at the polls last week with the vote polled by the Socialists for Mayor of Lynn being 275 in excess of that polled by the Socialists for Mayor of Lynn. The Socialist candidates polled 275 votes.

VOTE OF BOSTON FOR TAYLOR
It has not been the purpose of the Socialist party to make a showing in the city of Boston, but circumstances conspire to make an exception this election, and Conrad A. W. Taylor, the Socialist candidate for mayor, is a strong contender. The result is quite satisfactory, for Mr. Taylor is a candidate who is well prepared for future success. Conclusive proof for this is to be found in the fact that the Socialist ticket polled 3,275 votes in the city of Boston, the largest vote ever polled by a Socialist ticket in the city of Boston. In every one of the twenty-five wards Conrad A. W. Taylor polled a larger vote than any other candidate.

There are no fixed conditions. Progress is the only law of the race, and the SOCIALISTS, who fight against the parasites of the people, are the only hope of the working classes. The SOCIALISTS are the only hope of the working classes. The SOCIALISTS are the only hope of the working classes.

The SOCIALISTS are the only hope of the working classes. The SOCIALISTS are the only hope of the working classes. The SOCIALISTS are the only hope of the working classes.

A CORRECTION

In a very appetizing editorial on the Social Democratic Party, published in the Springfield (Mass.) Republican on December 30th, it is stated that the Labor party as the one to which the Social Democrats are appealing, is the one that has been charged with the same pall throughout the land, according to the Socialist Labor party. It is a fallacy, however, to regard the Socialist Labor party as the party of the Social Democratic party, and it is a fallacy to regard the Socialist Labor party as the party of the Social Democratic party, and to think that the Socialist Labor party is the party of the Social Democratic party.

The Socialist Labor party, like all the other radical parties, is a party of the Social Democratic party, and the Socialist Labor party is the party of the Social Democratic party, and the Socialist Labor party is the party of the Social Democratic party.

BOSTON CAMPAIGN

We have not attempted much in the way of a city campaign in Boston this year, but that is part of our policy. We realize that the Boston campaign has not been fully developed, and will be affected by the kind and amount of effort that will be put into the campaign. There are also some results in the smaller cities and large centers. It is difficult to say what the results will be, but we will try to make the campaign as important as possible, and thus reach every person in the city. We will continue to work hard on our efforts where we shall be able.

Now, as a matter of fact, St. Louis is a smaller city, which represents the majority of the population in the country. We have a great deal of work to do, but we do not see the opportunity and potentialities of any other city. We are sure of nothing less. Conventions, you will do it for us.

Now is the time. Will you give the best of your ability? Will you have the courage to fight for what you believe? Will you have the strength to carry the message? Solly, City Central Committee.

WANTED

5,000 SOCIALISTS

Not to make money, but to make more people conscious of the problem before we meet the limits of capitalism in this country.

And that is what we must do if we are to make a better socialist society. That is the best way to make Socialists. We must work for the welfare of the people and the progress of our country. We must be true to the ideals of Socialism.

Let us work for the welfare of the people and the progress of our country. We must be true to the ideals of Socialism. We must work for the welfare of the people and the progress of our country.
