The Why of the Wherefore of His Appearance in the Republican Convention.

Benjamin B. Odell, Jr., Republican Candidate for Governor and a Vanderbilt Tool Lobbyist.

TO BE A COSMOPOLITE IS THE RULE WITH A CAPITALIST PRESIDENTIAL CANDIDATE.

In Michigan Roosevelt is Dutch; Bryan has swung all around the country in the country's country without an Irishman, too. He's been a Woodrow who would come into the race as an American poor sample. In Chicago recently he was the de be to get votes in the race with the capitalistic politicians.

The Socialist in a nation of a million or more people, scattered over a wide area, is a difficult task. We are not only fighting the battles of the class, but we have to combat the prejudices of the masses. But we are making progress. The Socialist movement is spreading rapidly across the country. The Socialist party has been organized in many cities, and the Socialist candidates are winning seats in the legislature. The Socialist movement is gaining strength every day. We are not only fighting for the rights of the workers, but we are also fighting for the rights of the poor. The Socialist movement is spreading rapidly across the country. CORRESPONDENCE.

The Top Secret and Their Toilettes.

To the DAILY PEOPLE—In the issue of the Daily People for the 1st of October, there was an article which I found quite interesting. It was about a new product being shown at the exhibition in Paris. The article stated that this product was a revolutionary invention that would change the way people do their laundry. It mentioned that the Top Secret was a new detergent that could clean clothes in a matter of minutes. The Top Secret was said to be more effective than any other detergent on the market. I am curious about this new product and would like to know more about it. Thank you for your help.

Yours truly,
