THAT SOCIETY WILL COME.

The Daily Times, "New York Times"

"The profits of capital and the wages of labor are being concentrated in the hands of the few, while the masses are being impoverished and reduced to grinding poverty. The gap between the rich and the poor is widening, and the working class is becoming more and more exploited. The time is ripe for a new society, where the working class will be in control and the resources will be shared equitably."

SECRET PROTESTANT ORGANIZATION

"The Working Men's Party" is organizing a secret organization to fight for the rights of workers. The party is committed to eliminating exploitation and inequality, and they are recruiting new members to join their cause. Sign up now and help make a difference!"
