Latest Kangaroo-Social Democratic Lie Nailed.

The "New Yorker Volkszeitung" and Its English Poodle, "The Worker," Branded by Indignant Workmen.

We, the employees of the Syracuse Electric Company, who have taken part in the strike for higher wages and lesser hours, and who have been operating under the leadership of the Social Democratic party, hereby denounce the "New Yorker Volkszeitung" and "The Worker," the organ of the Social Democratic party in America, as liars and traitors.

We were employed by the Syracuse Electric Company, and we were fired because we demanded higher wages and better working conditions.

The Social Democratic party has been responsible for the strike, and we are now demanding its overthrow.

We, therefore, appeal to the working class of America to join us in our struggle against the Social Democratic party.
