A CAPITALIST GOLD BRICK.

OLD-AGE PENSION SCHEMES THAT BENEFIT FEW ONLY.

Industrial intensity kills off the Old-age and Unemployment Insurance.

By R. A. Macdonald.

Old-age pensions are adopted by many corporations.

The employee must be from 60 years of age and under.

Industrial intensity kills off the Old-age and Unemployment Insurance.

In some cases, the company will give a life-time ticket to the employee.

The pension is based on the employee's years of service.

How many of them will survive beyond the first day? A large number of them, though, will reach the end of the week.

In the light of these figures, it is interesting to note that the number of old-age pensions terminated due to the employees' deaths is very small.

The pensionable age is 65 years and the pension is payable for 20 years.

A modern adaptation of the old idea.

THE GLAZERS' STRIKE.
A STRIKING PROTEST AND A LONG BATTLE FOR THE RIGHT.

Price, May 10. The newsmen's strike in Lynn, which is almost at an end, has been a thorough disgrace to our system of trade unions. The Boston Evening Transcript, which is usually regarded as a radical paper, has been forced, at the last moment, to take a strong stand against the strike. The Transcript is the organ of the Boston Socialist organization, and the strike has been organized by the Miscro Manufacturers' association, which is a branch of the Socialist organization.

THE FIELD OF LABOR.

Wages-Increase. Due to the increasing costs of living, the wages of railroad and railroad workers have advanced in the past week. The increase has been from 10 to 20 per cent. The railroad companies are said to be working on a 30 per cent increase. The increase is due to the increased costs of living and to the increased costs of transportation.

A SHIP IN DISTRESS.

The December 20 date of the San Francisco "Affair," organ of the California "Basket Ball Party," cannot be read by us as an evidence of the progress of the "Basket Ball Party," in the sense of the movement of the interests and principles of that organization. What has transpired in the past few months is not the work of the "Basket Ball Party," in the sense of any movement of its principles, but the work of the "Basket Ball Party," in the sense of a movement of its interests.

The "Basket Ball Party," in the sense of a movement of its interests, has not been working on any plan of its own, but has been working on the plan of the "Basket Ball Party," in the sense of a movement of its principles.
