A RED LETTER NIGHT

WON THE SOCIALIST LABOR PARTY IN CLEVELAND, OHIO.

Boring Meeting on the Public Square
Address by Harry Polling of St. Louis, who gave Governor
government of Ohio.

Cleveland, Ohio, Aug. 23—Wednesday night last, the Cleveland Meeting of the Socialist Labor Party of Cleveland was held at the meeting hall of the socialist group.

It was an elegant affair, with a large number of people present.

The meeting was called to order by the chairman, who presented the report of the executive committee.

The report was read and adopted.

The chairman then introduced the speaker, who spoke for about an hour on the general subject of socialism.

The meeting adjourned.

SHOCKED

The keynote to the evening's affair was the announcement that the socialist party would henceforth be known as the "Socialist Labor Party".

This was received with great enthusiasm by the large crowd present.

The meeting adjourned.

MUNICIPAL TICKET

JAMES T. HUNTER

JOHN J. KINNEALLY

FOR PRESIDENT OF ALDERMEN

ELMER E. SNYDER

OF BROOKLYN

THE CONVENTION

The "Red" S. L. P. Prome To Be Very Much Alive—Much Extroversion. A very large and enthusiastic crowd attended the meeting of the socialists in the hall of the "Red" S. L. P. Prome last night.

The meeting was called to order by the chairman, who introduced the speaker of the evening, who spoke for about an hour on the general subject of socialism.

The meeting adjourned.

GERMAN SOCIALIST SPITZ

Intergovernmental Struggle Now Going On

Berlin, Aug. 20—It is now clear that the intergovernmental struggle now going on in Germany is far from being over.

The recent developments indicate that the struggle will continue for some time to come.

The government of Germany is trying to prevent the socialists from gaining any advantage.

The socialists, on the other hand, are determined to carry on the struggle until victory is theirs.

The situation is critical, and it is to be hoped that a settlement will be reached soon.
"NOBLY WAGING THE CLASS STRUGGLE"

In July, 1905, at a gathering in Chicago, the Worker's Social Democratic Party (of which the Social Democratic Federation is a part), and the Workers Industrial Union, also organized by the Federation, presented a unique and epochal document to the working-class in the United States. The publication of the pamphlet, "Nobly Waging the Class Struggle," is a milestone in the history of American social democracy, marking the beginning of a new era in the struggle for the liberation of the working class.

The pamphlet was authored by the late Dr. Robert Fisk, a prominent figure in the American labor movement and a leading voice in the fight for worker's rights. Dr. Fisk's work was characterized by its sharp criticism of capitalist exploitation and its call for the development of a new socialist order based on the protection of workers' rights.

"Nobly Waging the Class Struggle" is a comprehensive analysis of the economic and political conditions faced by the working class in the United States. The pamphlet provides a detailed examination of the historical roots of capitalism and its impact on the lives of working-class Americans. It also offers a blueprint for the organizing efforts necessary to build a strong socialist movement and to achieve the goals of the working class.

The pamphlet was well-received by the workers of the United States, and its publication marked the beginning of a new era in the struggle for workers' rights. It remains a valuable resource for understanding the historical context of the labor movement in the United States and for gaining a deeper understanding of the struggles of the working class.
WEEKLY PEOPLE, Saturday, September 5, 1935

THE FUNCTION OF THE INTELLECT.

The following letter reached this office from the correspondent in Birmingham:

"Some time ago you mentioned W. A. in the letter-Book, and I have now investigated the matter. He is in fact a socialist and the head of the branch in the city, but he does not need to "run for office" before he can be elected to office. There is where the human agency, if there is any, must come in. He should come to the help of electors."

The letter-Book editor replied:

"In 1934, W. A. ran for office and was elected. He has been an active political figure ever since, getting involved in local party affairs."

The correspondent wrote back:

"But how do you know whether he was elected at all?"

The letter-Book editor replied:

"We did not ask how he was elected, but only whether he was elected at all."

The correspondent asked:

"But did you inquire whether he was elected at all?"

The letter-Book editor replied:

"We did not ask whether he was elected at all, but only whether he was elected at all."

The correspondent wrote back:
