NOT SENTIMENTALISM, SENSE

If the leaden electric agency is "sentimentalism," what candidate, or candidates, can be endorsed for the November 2 election? For the November 2 election? For the November 2 election? For the November 2 election?

The Socialist Labor Party ticket, for example, is standing on the following platform:

Why should there be a Socialist Labor ticket? For the November 2 election? For the November 2 election? For the November 2 election?

When the candidate is the lowest bidder in the running of the government, where do you go? For the November 2 election? For the November 2 election? For the November 2 election?

For the November 2 election? For the November 2 election? For the November 2 election? For the November 2 election? For the November 2 election? For the November 2 election? For the November 2 election?

Dear Secretary:

I have just received your proposal for a law, as printed in the New York Times of this day, for granting a pension to the relatives of deceased soldiers. I can only say that it is a most generous offer. I do not know whether it will be accepted or not, but I think it is a very good one. I hope it will be.

Very truly yours,
