LYING TO FOREIGN PROLETARIAT
Pittsburgh, July 11—If enough men could be bribed at a "cheap enough" rate, foreign capitalists might have a large field in operation in the Pittsburgh district. The scarcity of profitably working govt. contracts in the city has forced many of them to seek work in the fields of foreign lands. Some of the biggest foreign capitalists are not above spending a dollar or two to secure the services of men for foreign labor. One foreign capitalist even offered to pay $100 for the services of one man.

The Iron Arrowhead

BY EUGENE SUE

Translated from the Original French by DANIEL DE LEON

This tale is of the Normans invasion of France. Even in the dritest work of history that ever grew from the soil of France, even in the most dry and arid facts, even in the pages of history, the reader can find something interesting and instructive. Read it! It will be indispensable in history.

Woman Under Socialism

By August Bebel

TRANSLATED FROM THE ORIGINAL GERMAN, BY HENRY P. DE LEON.

The Question is not a question of fact; it is a part of the great social problem. Presenting along this line, the Key of the Translation, which is a powerful weapon in the hands of the working class. The results of the work are not only to be seen in the hands of the working class, but also in the hands of the rich and powerful classes. The work is not only a matter of fact, but also a matter of principle. The work is not only to be seen in the hands of the working class, but also in the hands of the rich and powerful classes.

THE AWEFUL

BY WHAT RIGHT?

In Which We Call You Socialists Profes.

I am not a socialist, but I am a socialist. I am not a socialist, but I am a socialist. I am not a socialist, but I am a socialist.

Fascinating work, thrilling as fiction, yet embracing a comprehensive history of the oppressed and oppressed classes from the commencement of the present era.

The iron arrowhead is a weapon that was once used by the Normans against their enemies. In the story of the Gallic family through the ages, told in accordance with the best traditions of realism, it is an iron arrowhead that gives the decisive thrust to the action. It is a weapon that is used to give the decisive thrust to the action. It is a weapon that is used to give the decisive thrust to the action.

The story of the Normans invasion of France is now told by the words of Eugene Sue, who was the author of the novel "The Iron Arrowhead."
