THE PEOPLE’S is the paper that you want. Straight and Truthful.
 Saddled with a tremendous weight of responsibilities in the last few weeks, I find my energy flagging, and my morale dropping. It's hard to keep up the pace and maintain a positive attitude. The stress is overwhelming.

The only thing that keeps me going is the thought of all the work I still have to do. But I'm not sure how much longer I can keep this up. I feel like I'm running on empty.

Perhaps a change of pace is in order. Maybe a short break would do me some good. I need to recharge my batteries and come back stronger. For now, I'll just focus on what needs to be done and try to stay positive.

Thank you for your support and understanding. I'll do my best to keep going and finish the job.

Sincerely,
[Your Name]
