43,200,000 at a Cost of $1,000,000.

The annual report of the Philadelphia Strike, by the Rapid Transit Company, was issued yesterday. It shows a net loss of $2,000,000, with a deficit of $1,000,000 in the second quarter of the year. The deficit was due to the lack of patronage during the strike, which lasted from Feb. 25 to March 4.

_Flash_ from the Philadelphia Strike Bonfire

A crowd, packed tight on the platform, grasped the idea of free tickets to the strike, and at one moment it seemed as if the whole city would be plunged into anarchy. The rioting was finally brought under control by the police, who fired into the crowd, killing a number of innocent bystanders. The police chief, who had been ordered to quell the riot, was himself shot and killed.

Three-Dozen of EASE FAMILY FRIENDS

Starting Patsy and Figures Mentioned for the Staging of the Famous "Dinah's Boys in the Garden," has been scheduled for the opening of the season at the Empire Theatre, New York. The play is a comedy by F. W. Crane, and is said to be a satire on the life of a society hostess. The cast includes a number of well-known performers, including Mabel Talbot, Lillian Gish, and E. E. Clive.

_Benefit Play

That more than three-fourths of the families of New York City are without heat and light, as reported by the New York City Board of Health, is a matter of serious concern to the city. The Board of Health has been requested by the city to investigate the conditions and make recommendations for improvements.

_In the interest of public welfare, the Board of Health is now busy in collecting information from various sources to determine the extent of the problem.

The Board of Health has been working on the problem for several weeks, and it is believed that the findings will be published in the near future.

Hold State Convention Sunday, February 27th, by the Middle South Anti-Slavery League, as a response to a similar convention held in a neighboring state. The convention will be held in a major city and will feature a variety of speakers and discussion topics. The Middle South Anti-Slavery League is a prominent abolitionist group in the region, and their conventions are known for bringing together activists from different backgrounds to discuss and plan strategies for the abolition of slavery.

QUEBEC FEDERATED TRADES COUNCIL ELECTS ITS CHAIRMAN AND MANAGEMENT.

By M. E. Carroll.

Some of the workers are striking and refusing to eat, and the rest are working with a feeling of bitterness.

In the face of this situation, the Workers' Union, which represents the miners, has called a meeting of all the miners in the district. The union has called upon the miners to refuse to work until their demands are met.

In the meantime, the police have taken steps to prevent any进一步的 action by the miners. The situation is tense and could escalate into a full-scale strike.

QUEBEC, Canada, February 25.—The Quebec Federation of Labour has elected its new chairman and management.

The new chairman is M. E. Carroll, and the management consists of the following members:

- M. E. Carroll
- J. E. Dufresne
- J. B. Beaudry
- M. G. Gagnon
- J. J. Bélanger
- M. J. Lapointe
- M. J. Leduc
- M. J. Gagnon
- M. J. Labelle
- M. J. Bélanger

These men have been active in the labor movement and are well respected by their colleagues. They will work together to represent the interests of the workers in the Quebec Federation of Labour.

FRUITLESS MURMUR

A TUNNEL OF ROIL IN THE "DARK COUNTRY"

By M. E. Carroll, Arizona.

In the dark and vast expanse of the "dark country," there is a tunnel of roil that the miners have been trying to reach for some time. The tunnel is rumored to contain vast wealth, but the miners have not been able to reach it due to the difficulty of the terrain.

The miners have been trying to work their way through the tunnel, but they have been met with resistance from the unknown forces that guard the entrance. They have tried various methods, but none have been successful.

In the meantime, the miners are continuing to work on the tunnel, hoping to reach it someday and claim the wealth within. The journey is long and difficult, but the miners remain determined to succeed.

Strikes, Lockouts, and the Like: A Study in the History of Workmen's Unions

This book is a comprehensive study of the history of workmen's unions, from their inception to the present day. It covers the major events and developments in the labor movement, and provides a detailed analysis of the forces that have shaped it.

In this book, I attempt to bring together the various strands of thought that have contributed to the understanding of the labor movement. I hope that this book will be a valuable resource for students, educators, and anyone interested in the history of workmen's unions.

Subject: Grievance Procedure

The purpose of this policy is to provide a procedure for the resolution of grievances that arise between employees and management. Grievances may involve matters such as working conditions, wages, benefits, and disciplinary actions.

Any employee who believes that they have been wronged should file a grievance through their immediate supervisor. If the grievance is not resolved at this level, it may be appealed to the next level of management.

All grievances must be filed in writing and must be submitted within 30 days of the occurrence that gave rise to the grievance.

Any employee who files a grievance is entitled to a hearing, and all employees are expected to cooperate in the grievance procedure.

We encourage all employees to work together to resolve grievances in a fair and reasonable manner.

Sincerely,
