OPEN LETTER

To Brus. Eugene V. Debs.

The Membership of the Working Class

In the fifteen years that have passed since the publication of the "Open Letter to Eugene V. Debs," the working class has made tremendous strides toward the realization of its aims. The organizations that have been founded, the legislation that has been passed, the conditions that have been improved, are all testimony to the power of the working class to organize and to achieve its objectives.

In this spirit of unity and solidarity, we, the membership of the Working Class, hereby pledge our support to Eugene V. Debs in his struggle for the rights of the working class. We shall work tirelessly to further the aims of the Working Class, and to advance the cause of socialism.

Sincerely,
The Membership of the Working Class.
ON TOP AGAIN.

New York Union Leader.(New York) 1867.

A Wild-cat Paper Bemoaned.

The wild-cat paper is an object of considerable attention in some of the literary circles of the city. It is a paper that is issued in a hurry, often at the last moment, and is usually of a temporary character. It is often published to meet some special need or to take advantage of some special event. The wild-cat paper is often controversial and is often used to spread false information or to propagandize. It is often a tool of political or social groups to achieve their objectives. The wild-cat paper is a symbol of freedom of speech and is often used to oppose the established order. It is often a way for marginalized groups to express their voices and to challenge the status quo. The wild-cat paper is often a way for people to express their dissatisfaction with the existing system and to demand change. It is often a way for people to challenge the power of the established authorities. The wild-cat paper is a symbol of the struggle for freedom and democracy.
New York.

At the meeting of the Daily People Directors, on Wednesday evening, November 24, the annual report was presented and adopted by the directors. The report stated that the paper was in good condition, and that the business was progressing satisfactorily.

The following officers were elected: M. G. A. ALLEN, president; R. D. F. SMITH, secretary; and A. H. GRAY, treasurer.
