"Citizenship and common sense require an understanding of this movement. If you legislate for the Civil-service system, it is because you believe in it. You believe in the protection of the people by the government. You believe in the protection of the people by the government.

The "Philadelphia" paper has been doing a great deal of this sort of thing. It is impossible to exaggerate the importance of the movement. It is impossible to exaggerate the importance of the movement.

If it has come down to one thing, you are making progress. You are making progress.

I.--Never mind that. I object to the idea of the people being looked upon as a body.

THE DAILY PEOPLE

$50,000 FUND.

Amount Pledged down to January 12th, 1887.

$2,435.

At the meeting of the Daily People Committee, held Sunday, the 29th of November, 1886, an important step was taken from which, if a daily socialist paper is to be possible within a reasonable time, the consummation will be in the near future. The following resolutions were adopted:

WHEREAS, A daily People has become an absolute necessity to counteract the falsehood and treasonous "news," that the capitalist reaction will spread Establishment in the work of the laboring people, that the class struggle is inevitable and impending;

WHEREAS, The struggle for the control of such a weapon of political and economic warfare is the struggle for collective strength and can succeed, with increased force, and the demand therefore becomes stronger;

WHEREAS, The need of such a weapon presses upon us, and the time to act is now; the cost involved being such that the sum of not less than $20,000 in hand is necessary to found and sustain such an undertaking;

WHEREAS, To make our cause certain, the paper must be able to continue daily during the time of the struggle, and that to do so an advance payment of $40000 is necessary;

NOW, THEREFORE, the following resolution is hereby adopted:

That a call be issued to the friends, and subscribers, to pledge themselves in the matter of $2 per share, each one to be sold in such a way as to make possible the foundation of the paper, the sum of $20, payable by the amount of this call and the 1st day of September.

Resolved, That if by that date the sum of not less than $20,000 is subscribed, the paper will be begun, and all pledges be good for one year, and that the subscribers to the paper shall be entitled to the same in the event of the failure to begin publication.

There are in the best 5000 subscribers 1000, to be paid in 5000 shares of $2 each, to be paid in one year, or to be paid in cash, and to be paid in six months.
