At the meeting of the Daily People committee, held Sunday, the 18th of December, 1896, an important step was taken from which, if a daily socialist paper is in all positive within a reasonable time, one may reasonably expect to be reached. The committee adopted the following resolution:

WHEREAS, A daily paper ... in all positive within a reasonable time, one may reasonably expect to be reached. The committee adopted the following resolution:

WHEREAS, A daily paper has been of absolute necessity to conduct ... 65,000,000 in New York City, a city possessing a capital press ... 134,000 in Denver, Colorado, a city possessing a capital press ... 134,000 in Denver, Colorado, a city possessing a capital press...

WHEREAS, The use of such a weapon in public political economic warfare, is the key to the situation...and the demand therefor becomes stronger by the day...

WHEREAS, No paper so integrated with the social movement...

WHEREAS, ...the activity of the socialist revolution that is beginning to be fulminated...

WHEREAS, The use of such a weapon in public political economic warfare...

WHEREAS, ...the activity of the socialist revolution that is beginning to be fulminated...

RESOLUTIONS.

With a view to immediate improve in the condition of the labor we propose:

1. Reduction of the hours of labor in proportion to the progress of labor.

2. The United States to obtain possession of the mines, railroads, canals, transportation systems of the country in the interests of public communication; the employees to operate the same cooperatively under ownership by the old and new labor.

3. The necessities of the present railroads, ferries, transportation systems and the like, the necessity to organize the employees of the present railroads, ferries, transportation systems and the like, the necessity to organize the employees...

4. Congressional legislation providing for the scientific management of farms and stock, and for the education of farmers to be free to all the farmers to be free to all the farmers...

5. Progressive income tax and an inheritance tax; the smaller incomes to be taxed according to the value of the property, and the larger incomes to be taxed according to the value of the property.

6. School education of all children under fourteen years of age to be compulsory, and the education of all children under fourteen years of age to be compulsory...

7. Public and private charity; to be abolished.

8. Congressional legislation providing for the scientific management of farms and stock, and for the education of farmers to be free to all the farmers...

9. The United States Senate and all upper legislative bodies to be abolished.

11. The state and county governments to be abolished.

12. Universal and equal suffrage without regard to sex, creed, or color. Election days to be abolished.

13. All public offices to be subject to recall by their respective constituents.

14. The right of the people to receive a full, clear, and complete account of all public expenditures by the public officials of the United States.

15. The right of the people to receive a full, clear, and complete account of all public expenditures by the public officials of the United States.

16. The right of the people to receive a full, clear, and complete account of all public expenditures by the public officials of the United States.

17. The right of the people to receive a full, clear, and complete account of all public expenditures by the public officials of the United States.

18. The right of the people to receive a full, clear, and complete account of all public expenditures by the public officials of the United States.

19. The right of the people to receive a full, clear, and complete account of all public expenditures by the public officials of the United States.

20. The right of the people to receive a full, clear, and complete account of all public expenditures by the public officials of the United States.
