POLITICIANS BEATEN.
An Incident of the Campaign in Detroit, Mich.

A Machine Called by Republican Politicians to Redeem one of their Candidates, the Late Mr. B.H. Birt, Is Deposed.

BIRTON, Mich., Oct. 24. — We may expect a political earthquake in this State, where Comrade Mike Moyer is running for Governor. The campaign is in full swing, and the party is making a desperate effort to put its candidate before the electors in a favorable light. The late Mr. B. H. Birt, who was expected to win the nomination, is now on the rocks, and it is feared that his defeat will be a blow to the Republican party.

Sentiment against the late candidate is said to be very strong in this State, and it is feared that his defeat will have a serious effect on the party. The Republicans are said to be very much divided on the issue, and it is feared that the election will be decided by a close vote.

dure Law into reissue. With the old man now out of the way and the law against him, the telegraph offices were on the alert, and it was a matter of little concern that Mr. Carson had not received the same treat as the late Premier. The matter was the subject of a considerable amount of speculation for some time before the issue of the elections, but no one was surprised when Mr. Carson announced his intentions.

George goes about theorizing that if elected he will investigate the money of the late Premier and see whether it does not now rest, with and with a man who is not a Liberal, in the hands of Mr. George. Mr. George will not have food in vain. There is no danger whatever of the people getting such a man as Mr. Carson as their Premier, and George is very much in favor of the Radical candidate, Mr. Johnstone.

As for the poet, George supposes that he will go to Europe in the spring, unless something happens that will prevent him. He is not very much interested in the political career of either Mr. Carson or Mr. George, but he is very much interested in the literary career of the latter. George is very much in favor of the poet, and he hopes that he will have a good time in the European tour.

Jerry, it must be noted, is a very good poet, and he has a great many admirers. He is very much interested in the political career of Mr. Carson, and he hopes that he will have a good time in the European tour.

The following are the additional candidates for the position of Premier of the Province:

- Mr. Johnstone, the Liberal candidate, who is very much interested in the political career of Mr. Carson, and he hopes that he will have a good time in the European tour.
- Mr. George, the Radical candidate, who is very much interested in the political career of Mr. Carson, and he hopes that he will have a good time in the European tour.

The election will be held on the 1st of November, and the results will be announced on the 3rd of November.
