BOSTON.

Last S. L. P. Broadside in the Mayoralty Campaign.

BOSTON, Dec. 16.—The municipal campaign in Boston was won by the Republicans. The camp of the Republicans is divided.

JOSEPH RUSSELL, acting mayor and presidential elector, has a clear lead over his opponent, the Democratic candidate, in the election. The Republicans have also a clear lead in the mayoralty race.

The meeting was called to endorse the candidates of the Republican party. The meeting was held in the Hall of the Boston City Hall, on the night of the 15th. The meeting was attended by a large number of Republicans, and was presided over by Governor Samuel J. Miller, of Massachusetts.

The meeting was well attended by Republican leaders, and was followed by a number of speeches in support of the Republican candidates. The meeting was well organized, and was followed by a number of speeches in support of the Republican candidates. The meeting was well attended, and was followed by a number of speeches in support of the Republican candidates. The meeting was well organized, and was followed by a number of speeches in support of the Republican candidates. The meeting was well attended, and was followed by a number of speeches in support of the Republican candidates. The meeting was well organized, and was followed by a number of speeches in support of the Republican candidates.
HAWLEY OFFERS THE LIE TO BE TOLD.

According to the President’s new statement, the United States is not the wealthiest country in the world. This is a lie to be told.

President Roosevelt, in his message to Congress, said that the United States is the wealthiest country in the world. This is a lie to be told.

The President has beenquoteing this statement for some time, but now he has added a new twist to it. He has said that the United States is not the wealthiest country in the world. This is a lie to be told.

The President’s statement is not true. The United States is the wealthiest country in the world. This is a lie to be told.

The President has beenquoteing this statement for some time, but now he has added a new twist to it. He has said that the United States is not the wealthiest country in the world. This is a lie to be told.

The President’s statement is not true. The United States is the wealthiest country in the world. This is a lie to be told.

The President has beenquoteing this statement for some time, but now he has added a new twist to it. He has said that the United States is not the wealthiest country in the world. This is a lie to be told.

The President’s statement is not true. The United States is the wealthiest country in the world. This is a lie to be told.

The President has beenquoteing this statement for some time, but now he has added a new twist to it. He has said that the United States is not the wealthiest country in the world. This is a lie to be told.

The President’s statement is not true. The United States is the wealthiest country in the world. This is a lie to be told.
