THE Socialists of the Land Speak Out

Undertaken.

Desire Ambition by the People in Great Britain. We must have the support of the Working Men's Union, the National Union of Women's Suffrage Societies, and the Women's Social and Political Union. If we cannot carry out this work, we must work for a more radical form of government. We cannot do it alone. We must have the support of the people, the working class, and all those who desire a better world. We must work for a more democratic form of government. We cannot do it alone. We must have the support of the people, the working class, and all those who desire a better world.
