PEACE UNIVERSE.

The writer has been too long in subscribing to the late Mr. Melville to its lamented editorial staff, but not in the least to its recent chief editor, who, by his unexampled, almost consummate incompetence, has thrown into the repute of the Universe a wretched feature article on the subject of peace. His article, which, it is true, has not yet appeared in the Universe, is reprinted below.

The Editor of the Universe.

Dear Sir:—

It is a pleasure to have the opportunity of expressing my views on the subject of peace. I believe that peace is the most desirable of all conditions of life, and that mankind cannot be happy except in peace.

Yours truly,

Political and Economic.

In response to a letter from a new acquaintance, I am writing to express my views on the subject of politics. I believe that the political system of the United States is the best that has ever been devised, and that it should be preserved at all costs.

Yours truly,

Dear Sir:—

I am writing to express my views on the subject of science. I believe that the scientific system of the United States is the best that has ever been devised, and that it should be preserved at all costs.

Yours truly,

THE CLASS STRUGGLE.

By H. A. G. R., Chicago.

One of the points for which the Repub-
licans differ from all other parties is the be-
lieve that social advancement is secured by
improving social and commercial relations,
while the Democrats are divided as to the
advantage of social and commercial rela-
tions. The Republican party believes that
social advancement is secured by improving
social and commercial relations, while the
