HEW IT DOWN!

PHILADELPHIA, Oct. 24—The Pennsylvania State Legislature, in its present shape, is the worst Assembly ever convened in the state since its organization in 1701. The rot and decay that has been the result of the neglect of the present Assembly and its predecessors are now a matter of historic record. SALARIED CHALLENGE (continued).

LITHOGRAPHERS, ATTENTION!

Your evocative condition is an absurdity. It is a case of labor out of which the organization must be exiled to all of its practical effects. The solution is the only road to the organization of the Lithographic Labor party. Our purpose, in effecting this union, is to draw the working man out of the toils of the Lithographic Labor party. Our object is to establish a free union of all working men who have joined together for the purpose of determining the value of their labor. The result will be a free union of all working men who have joined together for the purpose of determining the value of their labor.

Turning to Socialism in Nebraska.

One of the first steps in the establishment of Socialism in Nebraska is the formation of a Socialistic Labor party. This party is formed for the purpose of organizing labor, and of promoting the interests of labor.

Suggestions for Propaganda.

The following suggestions are made for the purpose of extending the Socialistic Labor movement:

1. The formation of a Socialistic Labor party is desirable.
2. The establishment of a Socialistic Labor party is necessary.
3. The Socialistic Labor party should be organized on the lines of the American Labor party.
4. The Socialistic Labor party should be organized on the lines of the English Labor party.
5. The Socialistic Labor party should be organized on the lines of the French Labor party.
6. The Socialistic Labor party should be organized on the lines of the Russian Labor party.
7. The Socialistic Labor party should be organized on the lines of the German Labor party.
8. The Socialistic Labor party should be organized on the lines of the Italian Labor party.
9. The Socialistic Labor party should be organized on the lines of the Irish Labor party.
10. The Socialistic Labor party should be organized on the lines of the Australian Labor party.
