THE WEST.

POPULATION DEAD, SOCIALISM SPRINGS UP IN KANSAS.

WHAT THAT MEANS.

Justice and Right cannot be obtained by mistake and treason—"In the Right Direction."—"Clearing the Air About the Populists."—"The People's Party in Kansas."—"The Populists in the South."—"The People's Party Movement in the West."

THE BLIND.

IMPURE DILUPTIT.

THE LABOR FAIR IS NEITHER SIMPLE NOR PURE.

The following "fibs" are not from the Hubs but from Washington, is told by a leading member of the party's pure and ticket-ridden mafia, that he has been ordered to keep silent and to instruct his friends to do likewise. The pure have not yet been able to make up their minds as to whether the "fibs" are for or against their cause. But the people of Kansas, who have been made to feel that they are being fooled by the pure, are not likely to remain in the dark for long.

THE VOTE.

Blindly Looking Down Into the Social Abyss.

The Good Times That Financiers Are Having in the "Populist" Field.

The "Man of the People" will soon be in the parlors of the great financiers, and it is feared that the Populists will be allowed to remain there without any chance of escape.

The meeting in Kansas City, where the "Man of the People" was present, was attended by a large number of Populists. The meeting was held in the Odd Fellows Hall, and was addressed by several of the leading Populists of the state. The meeting was well attended, and the speakers were well received.

MINNESOTA.

St. Paul—The "People's Fair" is in progress at the Palace of Fine Artes, and the Populists are making a brave fight for the "People's Fair." The fair is open to the public, and all are invited to come and see the wonderful exhibits.

NEW YORK.

VIRGINIA.

THE SOCIALIST.

THE GOALS OF SOCIALISM.

Socialism is a system of government that aims at the elimination of poverty and the establishment of a society in which all people have equal rights and opportunities. The basic principles of socialism include the belief in collective ownership of property and the elimination of social classes.

The "Socialist" is a publication that seeks to promote these principles and to provide a platform for the furtherance of socialist goals. It is published weekly and is available to all who wish to support the cause of socialism.

THE LASH OF HUNGER.

A Picture of Hunger.

The "Lash of Hunger" is a powerful image that captures the plight of the starving masses. The image shows a woman and child, their faces etched with the marks of suffering and misery. The woman's eyes are filled with tears, and the child clings to her, their bodies in tatters and their faces dirty from the dust.

The "Lash of Hunger" is a stark reminder of the brutal reality of life for those who are forced to subsist on the边缘 of existence. The image serves as a powerful call to action, urging the world to recognize the plight of the hungry and to work towards a more just and equitable society.

POLITICAL AND ECONOMIC.

The vote of Convention, to any workingmen's party, is a vote of approval and a vote of thanks for the services of the past few weeks. It is the result of the Convention being the only body in the country that is willing to work for the interests of the people, and for the right of the people to have a voice in their government.

SOCIALLIST VICTORY.

An Incident in the Late Campaign in New England.

Although the campaign is over and our party has elected a number of candidates, the struggle is not yet over. The battle is far from over, and we must be prepared to fight for our principles to the bitter end.

From the History of Strikes Among the Mine's.

The bodies of the 30 miners fell in the magnificent work of the western coal and iron district of the United States, which has been going on during the last few weeks, when the strike was declared. The bodies were found in various parts of the mine, and the cause of the deaths is still uncertain. The miners were working in the mine when the disaster occurred, and the cause of the deaths is still uncertain.

SOCIALIST LABOR PARTY OF THE UNITED STATES OF AMERICA.

PLATFORM.

The Socialist Labor Party was organized at an Executive Committee assembled, to secure the inalienable right of all men to life, liberty, and the pursuit of happiness.

With the founders of the American republic we hold that "the natural and unalienable rights of mankind are freedom of speech and of the press, freedom of worship, and the right to bear arms."

With the founders of the Democratic party we hold that "the government must be a government of the people, by the people, and for the people."

With the founders of the American Labor party we hold that "the laboring man is entitled to the same vote as the landowner."

With the founders of the Republican party we hold that "it is the duty of the government to provide for the general welfare."

With the founders of the American Social Democratic party we hold that "the social and economic organization of society must be so arranged as to secure to all the enjoyments of life and labor."
