(Please subtract "Ameritas," Seattle.

In New York there exists a dailyemark of "T" which is catching up and reaching the front. The "Volkstum" is its name, and its daily "Ameritas" is its organ. The "Volkstum" claims to represent the working class of New York,

In the position that the "Volkstum" is taking towards the other unions, purely begotten from the desire of the "Volkstum" to appeal to the working class, and to become a public organ of the working class. The "Volkstum" is strongly opposed to the masses, and is pronounced by the "Volkstum" to be the only sound union in the land.

The "Volkstum" has a large number of members, and is actively engaged in the work of organizing the working class.

The "Volkstum" is a strong union, and is working for the benefit of the working class.

CORRESPONDENCE.

Important Request from Colorado.

"Volkstum," is written to the "Volkstum," and asks for a meeting of the working class to discuss the situation. The "Volkstum" is pleased to receive such a request, and will, of course, do all in its power to aid in the organization of the working class.

"Volkstum" is strongly opposed to the "Ameritas," and will not allow itself to be misled by the "Ameritas." The "Volkstum" is determined to be the only sound union in the land.
I Would Like TO KNOW SOME THING ABOUT SOCIALISM AND THE CO-OPERATIVE COMMONWEALTH. Everyone's bound to be interested in the class-struggle -the struggle of the classes for the earth. Everyone's bound to be interested in the tocsin - the tocsin of the labor movement from all the world.
