Street Railway Workers, What Are You Going To Do About It, and What You Must Do.

The below is the circular referred to by the street car drivers of the Brooklyn street railway company, and issued to all the workers in the city. It states that the workers are to assemble at 6 o'clock on the 5th of October, at the head of the line, and to protest against the conditions under which they are employed. The workers are then to walk to the home of the President of the company, and demand an interview with him. If the President does not agree to meet them, they are to proceed to the nearest police station and file a complaint against the company. It is a demand that the company increase the wages of the workers, reduce the hours of work, and improve the working conditions.

RESOLVED, That we endorse the resolutions of the Executive Committee in this matter as follows:

RESOLVED, That we believe it is the duty of the Party to adopt the resolutions of the Executive Committee in the manner indicated by the resolutions of the Party, in charge of the National Committee, as the action of the Party in the interests of the laboring classes.

A motion was adopted instructing the committee to begin the election of delegates to the state convention. This motion was amended and agreed to.

On the roll call, the following were elected: J. T. L. and S. E. A. 

We believe, therefore, that the Party is prepared to meet the demands of the workers, and that it is the duty of the Party to take immediate action to meet these demands.
