A CHALLENGE
To Samuel Price, Democratic Candidate for Assembly in the 10th N. Y. B.

By EUGENE W. SANT, New York.

The other day I had the honor of meeting Mr. Samuel Price, the Democratic
candidate for the 10th Assembly District, and I was very much pleased
with his appearance and address. He has a natural modesty and self-control
that are not often found in men of his age and position. He is a born leader,
and I have no doubt that he will make an excellent Assemblyman.

The next election will be held in November, and I urge all my friends to
vote for Mr. Price. His record is one of integrity and devotion to the public
weal, and I have no doubt that he will discharge his duties with fidelity and
zeal.

The government needs able men like Mr. Price to help it meet the
challenges of the day. I believe that he has the qualities necessary to
serve the people well, and I hope that he will be elected to the Assembly.

Sincerely yours,
EUGENE W. SANT.
