CRUELTY TO ANIMALS

Holling of a Political "Dog"—Who Can't Slip Your Collar. TIED UP IN LORIMER'S KENNEL.

Mr. Lorimer's cage is a little larger and better furnished than his former "Lorimer's Kennel," but his owner is as unscrupulous and vicious as ever. He is just as addicted to the practice of stealing, and as malicious in his treatment of the unfortunate animals under his care. He has broken his promise to Mr. Holling, and is now threatening to bring suit against him. Mr. Holling is in a terrible fix, and his friends are doing all they can to help him.

ITS CHIEF PURPOSE

(Continued from page 1)

For many years, the Socialist Labor movement has been fighting for the rights of workers. It has been working hard to make the working class aware of their rights and to help them fight for their freedom. The Socialist Labor Party is the political party that represents the interests of the working class in the United States. It is dedicated to the principle of workers' self-management and the elimination of class struggle. The party's platform calls for a socialist society, where the means of production are owned and controlled by the working class.
