ADDRESS BY GEO. D. HERRON

Delivered at the Unity Mass Meeting Held By the Socialists of Chicago in Brand's Hall, November 18.

Speaker Reviews Present Economic and Political Situation in the United States, Deducing Therefrom the Absolute Necessity of Concerted Action Upon the Part of All Socialist Forces.

"Socialist Points" is a regular feature of this publication, written by a member of the Socialist Party of America. The column offers insights and commentary on current events, with a focus on socialist principles and objectives. It is intended to educate and engage the readership on the importance of solidarity and collective action in the struggle for a better world.

"Socialist Points" aims to provide a platform for discussion and debate on socialist ideas, encouraging readers to think critically about the economic and political systems in place and the possibilities for change. Through this regular column, the Socialist Party seeks to foster a sense of community and shared purpose among its members and the wider readership, working towards the goal of a society based on justice, equality, and the needs of all people.
