Socialist Pointers

25,000 new subscribers is that worth working for? If it is, go on.

Who will be the triumphant socialist in the future? Only time will tell.

Do you want to live in a free society? If so, let at least four men read this paper.

Don't wait until next week the evidence of the results of a paper's work, for

example is worth anything.

The socialist movement is about to take shape. The meeting of the committee in a few weeks,

This is the beginning of the movement. This is only the first step. But if we do not

undertake this work now, it may be too late.

If there are no more socialist newspapers, this is what the world will have to say.

If we fail, we will not have failed.

IN THE STATE LEGISLATURE

THE CHICAGO TRIBUNE, SATURDAY, MAY 29, 1892.

DISCUSSION ON PLATFORM AND TACTICS.

By MARCUS HITCH.

The reason why we should not be restricted in our political freedom is our desire to be restricted. Many free thinkers have been known to say that we should be permitted to think as we please, and that we should not be restricted in our political freedom. The word "restriction" means a limitation of freedom. It is the same as the word "constraint." It means that we should be permitted to think as we please, but that we should not be restricted in our political freedom.
