OPEN LETTER TO BISHOP QUIGLEY.

To Bishop Quigley:

Dear Bishop Quigley,

I am writing to you to express my support of your recent letter to the Catholic hierarchy. As a member of the labor movement, I believe that it is our duty to fight for the rights of all workers, regardless of their religious beliefs.

I was pleased to see that you acknowledged the importance of the labor movement in our society. I hope that you will continue to support the workers' cause, and that the Catholic hierarchy will follow your lead.

Sincerely,

[Signature]

In the Real Remedy Against Judge Archibald's Impeachment. Commit- ment of War For Use Against the Catholic System. The real remedy against Judge Archibald's impeachment is the commitment of war for use against the Catholic system. This is the only way to get rid of this menace to our society. When the Catholic system is committed to war, the powers that be can no longer afford to tolerate such an organization as the Catholic Church. The Catholic Church must be brought to heel, or it will bring a host of evils upon our society.
