### CONGRESS AND THE TRUSTS.

One of the most encouraging signs of the times is to be found in the fact that it is now becoming necessary for college professors and others to write articles purporting to show that Congress can control the trusts, and thus combat a widespread idea to the con-

A professor of law in the Cornell University has an article in the current issue of the independent in which he makes the assertion that Congress is not helpiess in the presence of the trust "evil."

The action, or rather the inaction of has done nothing in the past, is doing nothing now, and will do nothing in the future in that direction.

Making laws for that purpose is a books now, cannot be enforced against the trusts. Economic forces are not the creatures, but the creators of law.

Congress desires to control the trusts: bidding its members to join the militia. Mitcheil, attempting to seduce the nothing to show that it considers them an "evil." Such assumptions must

capitalist interests as against those of unnoticed.

take form beneath it.

## A SELF APPOINTED CENSOR.

A week or two ago a notice from a stmaster to a town not fifty miles from Chicago, reached this office It stated that a certain subscriber in the town had refused to take the Chicago this "volunteer reserve" which is un-cover is who gets it. So they decided Socialist. The stereotyped request to deniably a cross between the militia that it was "somebody" and let it go at discontinue it followed, and was of necessity complied with.

Next week the subscriber in question wanted to know why in Hades his paper had been stopped.

He was informed that he had refused It, and this statement he contradicted promptly and amphatically

So an investigation was started by a local hustler who had induced the complainant to subscribe, and this was the result: The mail carrier had office saying that the addressee had refused it. Hence the notice.

This same riall carrier, had been heard to declare that he would not allow a Socialist paper in his house, and seemingly his ideas on this point expanded until he was prepared to prevent their entry into other people's houses also.

Upon these disclosures being made known to the local postmaster, he promised at once to see that the subscriber got his paper in future.

The comrade who interested himself in this case, is a most strenuous hustier for Socialism and has secured up wards of a hundred subscribers in his town for different Socialist papers within the last six months. He is urally indignant over the whole Wate and has sent us a detailed report of all the circumstances, with the sames of the parties involved.

The latter we have decided not to

cialist papers in the future.

But at the same time we must protect our subscribers and solicitors and ourselves from the effect of such acts. We cannot afford to allow any individu- animals for trick and exhibition them. All of the work has been general, especially those whose business it purposes are henceforth to be handled ously donated, but lumber, paints and is to distribute malk to interfere with by a trust, according to last week's calcimine cost cash. We need some our circulation. We are paying the papers. This is by no means a new artistic sign painters to give the finishlegal rate for such delivery, and here departure, though on the surface it ing touch to our windows. Who will by give notice that if such incident may appear so. It is merely an exten help? occurs again the offending ladividual will pay for its non-delivery at a much higher rate.

## PLATFORM.

1. The Socialist Party, in convention assembled, reaffirms its allegiance to the p-inciples of international So-cialism as expressed in the platform adopted at the National convention of the Socialist Party, at Indianapolis, 100 HAND 11TH WARDS GERMAN BRANCH facets 1st Saturday every month, 2.20 p. m., at Hagermanns Hall, 18th & Loomis Streets. R. Pusch, Sec'y, 718 W. 20th St.

z. We call the attention of the wage workers to the fact that the Socialist Party came into existence because of the division of Society into two oppos- 11TH WARD.-Meets 1st and 3rd ing classes-capitalists and wage workers.

3. The capitalist class owns all the wealth, and receives all the benefits of wealth production, while the wage working class produces all wealth, performs all useful labor, and has for its share poverty, want and fear of want.

4. In this class society, the Socialist Party is fighting the political battle of 12TH WARD No 2 BOHDMIAN the working class to end their oppression, and to emancipate them from 2rd Sat. at 365 W. 28th st. capitalist robbery through the system of the private ownership of productive property, and finally to make them the master of their own products.

5. None of the other political parties Republican, Democratic or Reform -openly stand for any one class. They pretend to stand for all classes, but, their actions, following the election, have invariably been in the interest of the capitalist class.

6. Despite alleged political equality members of the working class are wage slaves dependent upon the capitalist for a livelihood, and political reform, such as municipal ownership, the referendum, election of senators by direct vote, proportional representation and such like propositions, will not make them other than beggars. who, to exist, on this earth, must have a master.

7. The Socialist Party is a party of the working class-composed of workers, organized by workers, and solicits your vote in order to secure for this class the law making power in order that this power may be used in the interest of this class, and thus secure true industrial liberty-that is, Socialism-a condition of society in which the laborer will own and control the means of production and distribution and receive the full social product of his labor.

8. Recognizing that the power to be obtained even by success in the present campaign is limited, nevertheless we pledge our candidates if elected to do all in their power to further the interests of the working class.

## RESOLUTIONS.

Resolved that since the Socialist Party is an International Party committed exclusively to the interests of the working class and an integral part of a world movement, it cannot locally or otherwise fuse or ally itself with any other party, without losing its essential character.

## CLARENCE S. DARROW'S NEW BOOK

"Resist Not Evil" is original, startling, unique. He, like Tolstoy, whom he admires, indicts the existing State, but he does this on grounds that are rational and economic, not sentimental. He proves beyond a doubt that the State as Il exists is a machine to keep the laborers in subjection to the parasitic class, and that its coercive features

International Socialist Review, one year, any one book in the Standard Socialist Series, and this paper one year, all for one dollar.

All signs point to an overwhelming increase in the ranks of American Socialists within the next few months. The only danger is that the mass of new and uninformed converts may make serious mistakes. The great need of the hour is for more well-informed socialists.

The International Socialist Review, edited by A. M. Simons, is the one periodical which is absolutely necessary to every social-ist who desires to keep in touch with the best woris! I thought of the world. It is a monthly magazine of 64 pages, and the ablest socialist writers of Europe and America are among its contribu-tors, while its news of the movement from month to mouth is complete and comprehensive.

> One Dollar a Year. Ten Cents a Copy.

The Standard Socialist Series is a library of books in neat cloth binding, each of which covers some important subject connected with socialism. The numbers thus far issued are as follows: L Karl Marx, Biographical Memoirs.

2. Collectivism and Industrial Evolution.

. . . . . . . . By Emile Vandervelde The American Farmer, . . By A. M. Simons

6, The Social Revolution, . By Karl Kantaly

Price per Volume, 50 Cents, Postpaid

By a special arrangement just concluded with the co-operative publishing house of Charles H. Kerr & Company, we are enabled to offer our readers the International Socialist Review one year, our own paper one year and any one volume selected from the Standard Socialist Series, postpaid, all for \$1.00.

This offer does not a ply the agreem who has creek been a subscriber to the International Socialist Review and a case this offer is adversed by the second subscriber in the International Secondary of Company Secondary In the case of a resident for the secondary of the secondary in the case of a resident for the secondary in the case of a resident for the secondary in the case of a resident for the secondary in the case of a resident for the secondary in the case of a resident for the secondary in the case of a resident for the secondary in the case of a resident for the secondary in the case of a resident for the secondary in the case of a resident for the secondary in the case of a resident for the secondary in the case of a resident for the secondary in the case of a resident for the secondary in the case of a resident for the secondary in the s
