FEDERATION OF LABOR REPORT.

Delegates Auxiliary to the Federal Congress of Mine Workers to be held in Chicago, February 19, 1904.

With Compliments to the Chicago Chronicle.

A HINT TO THE COLORADO MINERS.

The “Bull Pen” in which Labor Will One Day Confront Capitalism.

WHY THE POLICE ARE AGAINST YOU.

The article below is an editorial which appeared in the Chicago Chronicle. It is not the opinion of the editors of this newspaper, as it is also published in the Chicago Daily News.

The police of the United States are the sworn enemies of the working-class. They are the servants of the capitalist class. They are the police of the capitalist class.

SOCIALISM’S INFLUENCE UPON LABOR.

One of the many offices which I have occupied is that of secretary of the Social Democratic Party of Minnesota. In this capacity I have had occasion to contact and work with labor organizations throughout the state.

A BIGHAFFER.

You can’t afford to miss this. It’s a great opportunity.

PROTEST MASS MEETING.

Congress shall make no law abridging the right of the people to assemble和平 and to petition the government for a redress of grievances. Congress has not made any law abridging the right of the people to assemble.

FIFTH YEAR-WHOLE NO. 205

CHICAGO, ILL., SATURDAY, FEBRUARY 13, 1904.

PRICE ONE CENT.

OUR STRIKE.

While women and children work long hours in the mines, the police are the sworn enemies of the working-class. They are the servants of the capitalist class. They are the police of the capitalist class.

The Chicago Socialist.

THE BULLETIN IS THE WEAPON.

Let us make our stand in the teeth of the police and let us hold the line until the end.

A VICTORY.

When capitalism operates against you, why not operate against capitalism?

When you expect to be operated on, why not operate on them?

Hare, Perley, and Hayes.

CAPITALIST’S BOLT.

 Capitalist has no, we say, working-poor; every one—never more than a few.

When the boss past the last one he had left to save a little more for the next.

The free American worker will save his capitalist's bank account.

The man who never knew war until he entered the army has the same interest in peace.

When the boss past the last one he had left to save a little more for the next.

The police are the sworn enemies of the working-class. They are the servants of the capitalist class. They are the police of the capitalist class.

Socialism and Capitalism.

The police are the sworn enemies of the working-class. They are the servants of the capitalist class. They are the police of the capitalist class.

A BIGHAFFER.

You can’t afford to miss this. It’s a great opportunity.

PROTEST MASS MEETING.

Congress shall make no law abridging the right of the people to assemble peaceably and to petition the government for a redress of grievances. Congress has not made any law abridging the right of the people to assemble.

The Chicago Socialist.
Heart is against the crooked traitor that is in the trust which represents the capital. We, the Chicago Socialists, on the 13th of this month, were in a meeting in the boardroom of the building in which the Board of Trade is located. There were over 200 people present, including many prominent citizens of the city. The meeting was called to order by President Johnson, who presided over the meeting with great ability and dispatch.

Heart is on the side of the people. We believe in the right of the working man to organize and to strike for the betterment of his conditions. We believe in the right of the working man to vote and to have a voice in the government of the country. We believe in the right of the working man to have a fair day's pay for a fair day's work.

BISHOP SPALDING AT THE AUDIENCE

In last week's issue of the Chicago Socialist we published an account of a meeting of the Association of Catholic Bishops held in Chicago. The meeting was attended by the following bishops: Bishop Spalding of the Diocese of Chicago, Bishop Dwyer of the Diocese of Milwaukee, and Bishop Ryan of the Diocese of St. Paul.

The bishop of the Chicago diocese was in excellent health and spoke upon various subjects. He said that the work of the church in this country is more important than ever before. He urged the priests to work harder and to do more for the people. He said that the church must be a force for good in the community and that it must work for the betterment of the conditions of the working man.

The meeting was a great success and the bishops were much pleased with the work of the church in this country. They urged the priests to work harder and to do more for the people.

The National Labor Congress

The National Labor Congress was held at the Grand Pacific Hotel in Chicago. The congress was attended by representatives from all parts of the country. The congress was called to order by President Johnson, who presided over the meeting with great ability and dispatch.

Another Big Debate! This will totally eclipse any previous hold.
