THE CHICAGO SOCIALIST.

THE COLORADO STRIKE AND ITS LESSON.

BY GUY E. MILLER.

THE COMPETITIVE PLAN.

OUR STRIKE.

THE Ballot Box is the Weapon--Consultation the Gain.

VOTERS OF CHICAGO, again call your attention to the fact that there is a Socialist candidate nominated for Alderman in every ward in the city. If you are desirous of doing what the limited opportunity of a municipal election makes possible toward bettering the condition of the working class, then vote for the candidates who stand on this platform and pledge.

Socialist Party Pledge: We pledge our candidates if elected to work as good as or better than the present on the class consciousness of the working class in the interest of the entire working class and to examine all legislation by the one rule--is this in the interest of the working class? If so, we are for it; if not we are against it.

The names of the Socialist candidates will be found on the fourth place on the official ballot under the word Socialist.

INJUNCTION RECORD IS BROKEN.

Judge Neuman issued an order lifting injunctions against the Chicano Workers' Industrial Union.

The full powers of the corporation may now be exercised by the officers of the corporation.

The corporation is now in operation and will proceed with the work.
