RESOLUTION ON THE COLORADO SITUATION

Socialist Convention Passes Stinging Resolution on Colorado and Other Capitalist Outrages—Object Lessons of the Class Struggle—Socialism Only Hope.

The Socialist party is the political organization of the working class, pledged to all its struggles and working cooperatively for its emancipation. It demands the creation of a new government; the elimination of property; the abolition of the civil power; the organization of labor, and the creation of the necessary machinery for the class struggle. The Socialist party is the political expression of the workers' movement.

In Colorado, the workers are in the process of organizing, and the Socialist party is actively supporting their struggle. The Socialist party is the political expression of the workers' movement.
