MEMORIAL DAY PARADE.

The Chicago Socialist.

Socialism means the substitution of cooperation for competition; the common ownership of the means of production, all of them, by the community. Socialism means equality for all, so work, to live, to love, to enjoy life, to live as man or woman should. Socialism means all this for all, for the good of all, not for the selfish ends of the individual. Socialism means equality for all, for the good of all, not for the selfish ends of the individual.

ECHOS OF THE CLASS STRUGGLE.

As we go to press, the wildcat strikes in the Rock Island Shops have entered their second week. The strikers continue to meet with the most determined resistance of the employers, who have brought in strikebreakers and the police to try to crush the strike without regard to legal or moral considerations. Despite these efforts, the strike continues to spread and gain support from workers across the country.

SOCIALISTS AND THE PUBLIC SCHOOLS.

In the face of the严重的 educational crisis in the United States, the socialist movement has stepped forward to meet the challenge. Schools are being used as tools of oppression by the capitalist class, and socialists have fought to ensure that public education serves the interests of the working class.

SOUTH SIDE STREET MEETINGS.

Some fine class struggles are now being fought by the socialists in the South Side neighborhoods. The socialist organizations have been organizing meetings and distributing literature to win the masses over to their cause. The masses are hungry for change, and the socialists are providing the necessary leadership to meet this demand.

STATE ORGANIZING FUND.
