A CRY OF DESPAIR.

The capitalist press in the great cities seems to have forgotten all about the strike of the textile workers in South Carolina. It doesn’t mention it, and other Republican leaders have forgotten it, too. It’s like no news at all.

But the working class, whom the capitalist class is driving deeper into despair, is not forgotten. In South Carolina, the textile workers are still striking, and more and more of them are joining the strike every day.

The workers are fighting against the capitalist class, and they are winning. They are fighting for better wages, better working conditions, and an end to the exploitation of labor.

The workers are not alone. They are supported by the working class all over the country. They are supported by the working class all over the world.

The workers are winning. They will not be defeated. The capitalists can’t break the workers. They will continue to fight, and they will continue to win.

ENTHUSIASM IS INTENSE! CAMPAIGN GETTING STILL WARMER.

Brower’s and Block’s Meetings Exceed Expectations—Break All Records—Simons Now Out—Attempt by Republicans to Be-Bop Socialist Party—Every Report Received a Roasy One—News of the State.

The enthusiasm for the Socialist campaign is intense. The meetings of Brower and Block have exceeded all expectations. They have broken all records. Simons is now out, and the attempt by the Republicans to be-bop the Socialist Party has failed.

The Socialist Party is gaining strength every day. The workers are supporting the Socialist Party, and they will continue to support it.

FRIGHTENED OF SOCIALISM.

Old Parties are Guessing and Wondering—Can’t Understand What It All Means.

The Socialist Party is gaining strength every day. The workers are supporting the Socialist Party, and they will continue to support it.

The Socialist Party is gaining strength every day. The workers are supporting the Socialist Party, and they will continue to support it.
