FREE AMERICANS.

BY CHARLES M. KERN.

In the context of some of our American men and women who are not free Americans, it is important to understand the context and implications of the terms used. The article discusses the experiences and struggles of those who are not free Americans, highlighting their rights and freedoms that are denied to them. This article is a part of the broader context of the American political and social landscape, where the fight for freedom and equality is a constant struggle.

THE NEW CHIVALRY.

A VIGNETTE, BY HERBERT W. WILKINS.

The article titled "The New Chivalry" explores the evolution of chivalry in modern society. It discusses the new standards of honor and respect that have been adopted by modern men, focusing on the qualities of courage, integrity, and kindness. The article highlights the importance of these values in shaping the behavior of individuals and communities, and suggests that they are crucial for the well-being of society.
