DEBS ON INDUSTRIAL UNIONISM.

Speech Delivered by EUGENE V. DEBS at South Chicago, Nov. 28, 1905.

The year has already and is yet another year we have been organizing the great Industrial Union of North America. The laboring classes have been organizing the great Industrial Union of North America. The laboring classes have been organizing to meet the needs of the toilers of the world. And it has come to pass, on account of the great individualism of the laboring classes, that the laboring classes have been organizing the great Industrial Union of North America. The laboring classes have been organizing the great Industrial Union of North America. The laboring classes have been organizing the great Industrial Union of North America. The laboring classes have been organizing the great Industrial Union of North America. The laboring classes have been organizing the great Industrial Union of North America. The laboring classes have been organizing the great Industrial Union of North America.

THE EMPLOYEES' ASSOCIATION OF CHICAGO,

A GENTLE REMINDER — Borel Barr's novel for the American market, "The Madding Crowd," is now available at all bookstores. The novel, which follows the life of a young man in the 19th-century English countryside, has been praised for its vivid portrayal of rural life. A sequel, "The Maddest Crowd," is scheduled for release next year.

THE A. F. OF L. AND I. W. W.

The twenty-fifth annual convention of the American Federation of Labor, an annual meeting of the largest labor organization in the United States, was held last week in St. Louis.

The convention, which is the largest labor gathering in the world, is a reflection of the growth and strength of the labor movement in the United States. The A. F. of L. is the largest labor organization in the world, representing millions of workers in a variety of industries.

AUSTRIA'S CLASS-CONSCIOUS PROLETARIAT

The class-conscious proletariat of Austria is a force to be reckoned with. The working class in Austria is organized and united, and their demands are strong. The workers in Austria are fighting for better wages, shorter hours, and improved working conditions. They are demanding the right to organize and the right to strike.

STANDARD SISTERS

The standard sisters are the standard bearers of the labor movement. They are women who are committed to the struggle for workers' rights and are fighting for fair wages and working conditions. The standard sisters are an inspiration to all workers in the world.
