An Open Letter to Judge Holcomb.

BY J. E. RICHARDS.

We, the citizens of this city, wish to thank Judge Holcomb for the clear and concise argument that he gave in the recent case of the manufacturers of high-grade cigars

Socialism to be Studied.

University of Chicago Students Join Jack London in Strike.

The head of the movement of the University of Chicago students to gain the acceptance of socialistic ideas in the curriculum of the institution is Jack London. He has declared that the student body of the University of Chicago is about half socialistic in its beliefs.

The Scaregoat.

For many years my father was a member of the Republican party. He was a strong believer in the principles of that party, and fully understood its tenets. He was a man of large means, and had a considerable influence in the community. He was always ready to lend a helping hand to those in need, and was beloved by all who knew him. He was a man of strong character, and was respected by all who came in contact with him. He was a true gentleman, and his death was a great loss to the community.

Theodore Roosevelt.

There is a way to get the man's name and make him a scaregoat. This method is called "scaregoatization." It is a process by which the name of a person is made to mean something that it is not. This is done by circulating false stories about the person, and by making them believe that they are true. This method is often used by politicians and others who wish to discredit their opponents.

Theodore Roosevelt was a man of great ability, and was a great leader in the politics of his time. He was a man of courage, and was not afraid to stand up for what he believed in. He was a man of strong character, and was respected by all who knew him. He was a true gentleman, and his death was a great loss to the community.
AN ERROR CORRECTED.

'The Chicago Socialist says that the Chicago District Committee of the Socialist party is now in existence and functioning properly. This is not correct. The Chicago District Committee consists of no more than the four members of the Illinois State Committee, as the Socialist party is not organized in Chicago. The Socialist party is not organized in Chicago.

THE CHICAGO SOCIALIST.

THE CONTROL OF WALL ST.

The speculator who is the real master of Wall Street is the real master of the masses. He is just as real a master as the donkey who says that he is a master of the sheep.

THE WORKING CLASS WEAPONS.

The workers' weapon is not the ballot, but the strike. The workers' weapon is not the law, but the law of supply and demand. The workers' weapon is not the courts, but the courts of public opinion.
