SHELL THERE BE A SERIES OF SOCIALIST LECTURES WITHIN THE LOOP?

The response to the appeal for speakers who are interested to present lectures on socialist and political issues is overwhelming. Despite the limited number of venues available, the demand for lectures has been unprecedented. The response suggests a growing interest in socialist ideas and the desire for knowledge and education.

WORKERS OF CHICAGO, let us not allow any barriers to stand in the way of our progress. Let us unitedly work towards the establishment of a socialist society where the working class is in control.
