POLITICAL ACTION.

By Eugene V. Debs.

The daily acknowledgment now comes from the Federation of Labor that the number of labor men who have been directly driven to the ranks of miscellaneous and other unions by the political atmosphere and the forces of discontent is the largest since the organization of the Federation of Labor. The men who are being driven away are the men who are in the best position to lead in the fight for labor rights.

Pianos

The reason you take no risk in buying the B.L.S. road is that you get it direct from the manufacturer. You know that the road you get is not a cut-down or a run-down, and that the road you get is the road you see. It is the road that you choose from the catalog, and that is the road you get. If you do not like the road you get, you can return it and have another one at no extra cost.
