GORKY'S APPEAL TO AMERICA.

The Great Russian Writer and Revolutionist Issues an Appeal to the American People to Assist the Russian People Gain Their Liberty and Freedom!

The Case has been presented to the Chicago Socialist Labor Party. The facts are demonstrated by history. Russia is the country where the system of the capitalist slavery prevails throughout the whole country. In the same manner, in the whole country, a social condition has been created where the working class is oppressed by the capitalist class. The world is a battlefield, and everybody is a soldier. This is what makes the world a people's property. All citizens of the world must help to create a people's property. This is what makes the world a people's property. All citizens of the world must help to create a people's property.

IN THE SHOPPING DISTRICT.

By Mary Walden Kerr.

In the shopping district. That sounds PRETTY, for a young woman has the time to visit them every hour and buy what she likes. The sight of the shopping district, however, is not quite as pleasant as it may seem. The older women are usually too busy to take time for shopping, and the younger women are often too busy to think of it. But the shopping district is a place where the young women can find a sense of independence and freedom.

PARTIES AND CLASSES.

Workshops of Chicago. Do you ever stop to consider why it is that the boss is always busy and the workers almost always busy? Is it because they have no time to think, or because they have no time to eat? A long time ago, we heard a Socialist attorney, a Socialist judge, a Socialist policeman, a Socialist preacher and a Socialist newspaper publisher. The Socialist newspaper publisher said: "It is because the workers have no time to think." The Socialist printer said: "It is because the workers have no time to eat." The Socialist attorney said: "It is because the workers have no time to think." The Socialist judge said: "It is because the workers have no time to eat." The Socialist policeman said: "It is because the workers have no time to think." The Socialist preacher said: "It is because the workers have no time to eat." The Socialist newspaper publisher said again: "It is because the workers have no time to think." The Socialist printer said again: "It is because the workers have no time to eat." The Socialist attorney said again: "It is because the workers have no time to think." The Socialist judge said again: "It is because the workers have no time to eat."
