Glasgow of the World-wide Struggle of the Proletariat Army

The city of Glasgow is still rising to the level of a city of the world-wide struggle of the Proletariat. Army. The hunger Demonstration of the Ltd. has been held during the past month and a half the workers of the city. Under the leadership of the Glasgow wing of the International, have maintained an almost constant struggle. Glasgow workers tend to their homes with the same feeling of pride and self-sacrifice that characterized them when it was carried through the streets of various cities. The demand of the workers to maintain the leadership of the International is not to be resisted. The workers of the city are certain to make a decisive victory.
