CALL NEGRO LABOR CONGRESS
START ORGANIZING CONGRESS;
H. V. PHILLIPS WILL ORGANIZE
NEGRO LABOR LEAGUE

A big Negro labor congress is to be held in Chicago this Summer, and the Negroes are organized, and the meeting will be attended by the Negroes and the members of the Congressional Black Caucus, and a number of the professional congressmen of the Negro Labor Congress, and the Negro Labor League will be organizing the Negro labor congresses for this important conference.

The purpose of the Negro in American industry is to bring Negro men to work in all the important positions in business, and to get them to work in positions of responsibility and leadership, not only for the Negroes but for all the people of the country.

The Negro Workers League will be able to do all work as the other organizations, and to work with the Negroes of the country, and to work for the Negroes of the country.

The National Executive Committee has appointed H. V. Phillips, an active young Negro to organize the Negro labor congresses for this important conference.

The Call to Action.

The Negroes have the first quarter of the second quarter of the first of the year, in the United States, and the Negroes of the country, and the Negroes will work in positions of responsibility and leadership, not only for the Negroes but for all the people of the country.

The Negro Workers League will be able to do all work as the other organizations, and to work with the Negroes of the country, and to work for the Negroes of the country.

The National Executive Committee has appointed H. V. Phillips, an active young Negro to organize the Negro labor congresses for this important conference.

By BARNEY MASS.

In the March 13th issue of the Young Worker, a call was published for a Negro labor congress, in addition to putting out the importance of organizing the Negro labor congresses for this important conference.

YOUNG NEGROES FIRST TO ANSWER CALL FOR NEGRO LABOR CENSUS

(Continued from page 1 - \fitted)...

The New York Young Workers League says that the Negro labor census is one of the chief news events of the Labor Congress. The league has already registered thousands of Negro workers in New York City, and the league is planning to register thousands more in other cities. The league is working with the Negro labor movement and the Negro trade unions to increase the number of Negro workers registered in the labor census.

EUROPEAN LABOR BAKERS PROTEST U. S. CHILD SLAVERY

(Continued from page 2)

The European Labor Bakers, a union of European nations, is protesting the U.S. child slavery laws. The union has called for a boycott of all products made by bakeries that employ children. The union is demanding that all children be allowed to work only in conditions that are safe and healthy, and that they be paid a fair wage for their work.

YOUNG WORK S-worker

The Young Workers is a labor newspaper that covers the latest news in the labor movement. It is published weekly and is available at most newsstands. The Young Workers is a member of the Young Workers League, which is affiliated with the American Federation of Labor and Congress of Industrial Organizations (AFL-CIO).

Young Workers' Correspondence

Pittsburgh Frac-tion

The Young Workers League School at the Pittsburgh Frac-tion is one of the leading schools of the labor movement in the United States. The school has been publishing a labor newspaper, the Young Workers, since 1912. The Young Workers League School at Pittsburgh is a weekly school that is devoted to the study of labor history, labor economics, and labor politics. The school publishes a labor newspaper, the Young Workers, which is available at most newsstands. The Young Workers League School at Pittsburgh is a member of the Young Workers League, which is affiliated with the American Federation of Labor and Congress of Industrial Organizations (AFL-CIO).

YOUNG WORKER AT WORK

CHICAGO LEAGUE AHEAD IN SUB DRIVE ALSO BUSY WITH SHOP NUCLEAR WORK

At the last City Central Committee meeting of the Chicago League of Young Workers, it was decided to hold a sub drive in all of the city's shops. The Chicago League has taken the lead in the sub drive and is now working closely with other labor unions to increase the number of sub drives. The Chicago League is also working on other projects, such as improving the working conditions of its members, and is busy with shop nuclear work.

4-Day Hour and Low Wages at Niagara

(Continued from page 1)

The Niagara Lewisite Company is using a new method of work. The new method of work is called the "Niagara Method." The Niagara Method is a system of work that is designed to increase the productivity of the workers and to decrease the amount of work that is done by the workers. The Niagara Lewisite Company is using the Niagara Method in all of its shops, and it is expected that the company will be able to increase its productivity by 50 percent.

THE Anti-Christian Movement in China

The Anti-Christian Movement in China is a continuing story, with its roots in the Boxer Rebellion of 1900, which was an anti-foreign uprising in China. The movement continued through the years, with various groups vowing to rid China of foreign influence.

The Red Star Merit Stamp

The Red Star Merit Stamp was a reward system used in the Soviet Union, which was introduced in 1925. It was designed to encourage good behavior and hard work among children.

The Reorganization of the Junior Section

The Reorganization of the Junior Section was a reform implemented in the Communist Party of China, aimed at strengthening the party's youth wing and ensuring its loyalty to the Party's leadership.

"Imperialism is capitalism at that stage of development when the domination of one capitalist power has been established, when the export of capital has reached such a high degree that the partition of the world by international interests has started, and the division of the world's industries amongst the chief capitalist powers has been completed." - Pavlovitch

"All American standards are again..."
