Latest Events in China

The war between China-Tuks (who are not Chinese at all) and the Chinese Nationalists is not making any progress. Both sides are in such a military state as to make the Chinese people and the Chinese revolutionaries extremely dissatisfied. The Chinese workers' struggle against the war is a struggle to free China from foreign domination and to protect the Chinese people from the oppression of foreign powers.

Capitalist Schools

When we consider the whole situation, it is clear that the main aim of the capitalist schools is to prevent the workers from organizing and to prevent the growth of the working class movement. It is the duty of the workers to fight against these schools and to struggle against the capitalist system.

Y.C.L. of England Raided

The struggle of the workers against the capitalist schools is a struggle against the capitalist system. The capitalist schools are the breeding grounds of the capitalists.

Strengthen the Workers League!

The Workers League is the only organization that can fight against the capitalist schools and the capitalist system. It is the duty of the workers to strengthen the Workers League and to make it a powerful organization.

Young Workers Tell of Life in Moscow Factory

To the Young Workers League Nucleus in the "Boston Store"

Dear Comrades,

We have received your letter and in the first place have taken note of your question about the work of the young workers and the question about the Jewish worker. Your letter was read at a general meeting of our local branch and a resolution was adopted recommending your organization to young workers for close contact between our two organizations situated at such a great distance from each other.

We would now like to acquaint you briefly with the life and work of our factory's young workers.

Our Moscow branch of the Young Communist League numbers 18 full-time members and 40 men on leave. Our number is a small one, but we are a group of energetic and active young workers.

The Moscow branch of the Young Communist League is one of the strongest in the entire country. It was founded last year, and since then it has grown rapidly. Its members are active in all phases of social and political life. They are students, workers, and officers of the Young Communist League.

Our Young Communist League branch is committed to the principles of the Russian Socialist Revolution and the ideals of社会主义. It is devoted to the building of a new society based on the principles of social justice and equality. Its members are active in all phases of social and political life. They are students, workers, and officers of the Young Communist League.
